Just seconds before a twister shredded a North Carolina Lowe's store this weekend, staff sprang into action. See how the team helped all customers and employees survive when half the building was flattened:

Lowe's staff save dozens as storm hit NC store
yhoo.it

More than 100 employees and customers were at a home improvement store, crammed shoulder-to-shoulder seeking safety from one of the deadly storms that ripped through the South.

What's this? A politician with sensitive ears? He's supposed to be able to run this country and we must protect their sensitive ears to the maniacal and uncivilized behavior that is being exhibited in today's society because people are running around trying to create their own secret societys where innocent people are being taken hostage and criminality is occurring not to mention that they don't even have rights to their own body which includes their brain? In other words people have found ways to infiltrate even your own home invading your privacy. Just attack the brain.

By the way Mr. Brown, I just got out of the shower and I'm stark naked. Who out there can see me? With the blinds closed? Nothing but trees behind me? I'm just fighting for my rights to my body which includes the brain, life, and privacy.

I'm going to have engage the assistance of another former boyfriend Frank Lombardo to make sure the garbage stays where the garbage belongs. I'm going to fight for the rights to my own body this includes my brain. I've told these lesbians not and I fucken mean it. I don't know them nor do I care to. They are to stay away from me and my family. Do I dare add John F. Kennedy's name to a list of admirers?

Since when does one have to engage the help of former boyfriends to fight a case; i.e. Erich Moeller, Rick Gonzales, Mike of Bank of America. John O'Connell?

I just wrote 3 notes on your page complaining about the very same thing. All 3 notes posted properly to your page; however now one transferred to my Facebook thread which is not where I want it and two have completely disappeared. I am tired of this heinous stalking and harrassment that is occurring in various forms; especially the one via penetration of the brain. I want my body back!

Sabotage on Jerry Brown's wall

Well, I apologize once again folks. This is why I have a court case in front of Judge Richard Voorhees, the U.S. Federal District Court. Case #3:10cv397. There's people that don't want their secret operation found out about because they'll go to prison for a very long time. It has to stop...

There we go again, now I have to rewrite a note I had just prepared, I was complaining about a secret society that exists where lesbians got ahold of equipment which works via penetration of the brain. It is eavesdropping equipment and has numerous capabilities. These are people who if they could chop your hands off they would. They w...

 **Lynn Mendes** I said people who feel like they have no brains to stay off our Facebok thread. Sooner or later I'm going to catch up to you. Chances are you don't even subscribe. What I said was Thank God people in Raleigh you love are safe. That twister was located only 40 smiles away from Raleigh and I had checked the NWS page.

My family and I send our warmest wishes to all those celebrating the sacred festival of Passover. As Jewish families gather for this joyous celebration of freedom, let us all be thankful for the gifts that have been bestowed upon us, and let us work to alleviate the suffering, poverty, injustice, and hunger of those who are not yet free. Chag Sameach.
