vs.)

ADVENTIST HEALTH SYSTEM-)
SUNBELT HEALTHCARE CORPORATION,)
et al,)

Defendants.)

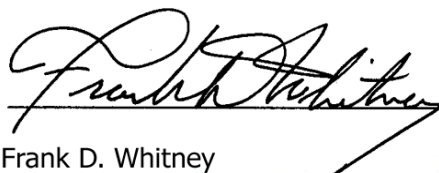

THIS MATTER is before the Court on the Plaintiffs’ Notice of Settlement (Doc. No. 66), filed March 30, 2016. In that filing, Plaintiffs notified the Court that they had “settled the issue of relator share with the United States and with the states.” (Doc. No. 66,

p. 1). The filing further indicated the “Relators have no issues from the mediation outstanding.” (Doc. No. 66, p. 2). When the Notice of Settlement was filed, the Court issued a notice on the docket indicating “COURT NOTICE to the Parties: Agreement for entry of judgment or a stipulation of dismissal to be filed within 30 days or the Court will dismiss the case without prejudice.” To date, the parties have not filed a motion for entry of judgment or stipulation of dismissal, and the thirty-day deadline for doing so has long expired.

IT IS THEREFORE ORDERED that pursuant to the parties’ notice of settlement, this matter is dismissed without prejudice and shall be administratively closed. Should the parties wish to administratively reopen this matter to file a motion for entry or judgment or stipulation of dismissal, they should do so no later than fourteen (14) days from entry of this order.

IT IS SO ORDERED.
