THIS MATTER is before the Court *sua sponte* regarding the status of the case. In a Certification of Mediation Session (Doc. The parties are directed to file their Stipulation of Dismissal on or before April 17, 2017.

IT IS SO ORDERED.

¹ The mediator's report further advises that counsel would file a stipulation of dismissal within ten days of the filing of that report. The Court notes that not only have those ten days passed without a stipulation of dismissal, but the dispositive motions deadline, April 7, 2017, has also passed.
