| 04/09/2019 | 16808 | * ORDER . The Court's staff has been receiving calls from plaintiffs in this case who say their attorneys are not keeping them apprised of the status of this case and will not return their phone calls. The Court directs all counsel to fulfill their ethical duties to communicate with their clients, and directs lead Plaintiffs' counsel to send a letter or email to all plaintiff-side attorneys reminding them of this duty and including the text of this order. If such calls to the Court continue, the Court will consider entering sanctions against any lawyer who is not keeping his or her client appropriately informed. | 05/10/2019 | 17686 | ORDER re: <u>16932</u> Plaintiffs have filed a motion to (1) establish common benefit fund fee and expense accounts and appoint an escrow agent, and (2) increase the common benefit fund fee and expense assessment from 8% to 14%. Doc. 16932. Defendants and counsel for individual plaintiffs do not object to the establishment of the proposed accounts, but do oppose an increase of the 8% assessment. See Docs. 17367, 17387, 17404. The motion was discussed at the case management conference on 4/29/2019. See Doc. 17453. The parties were directed to file a joint proposed order for the establishment of common fund benefit accounts and appointment of an escrow agent. See Doc. 17494 at 2. The Court stated that it would decide whether to increase the 8% common benefit fund assessment when the issue is fully briefed. Id. The parties have submitted the proposed order (Docs. 17493), but the attached escrow agreement includes the 14% assessment (Doc. 17667-1 at 11-12 (Schedule A, § I)). Plaintiffs shall file a memorandum clarifying this issue by the close of business on 5/15/2019. Signed by Senior Judge David G Campbell on 5/10/2019. This is a TEXT ENTRY ONLY. | 01/06/2020 | 21193 | ORDER re: <u>21167</u> Report – Status filed by Bard Peripheral Vascular Incorporated.. The parties have filed an updated report on the settlement status of cases which includes various exhibits. <u>21167</u> The report identifies certain direct-filed cases that are ready for transfer except for the fact that the cases have never been served on Defendants or have plaintiff profile form (PPF) deficiencies. Id. at 2–3; see Docs. 21167–2 (Ex. B), –7 (Ex. G), –8 (Ex. H); see also Doc. 21092. The report does not make clear whether these cases should be dismissed or transferred, or whether the parties agree on this issue. The report also lists several cases in which the individual plaintiffs did not identify a transferor venue in the short-form complaint, but the parties do not explain what should be done with these cases. By 1/1/2020, the parties shall file a joint memorandum addressing the following: (1) whether Defendants seek dismissal of the cases that have not been served or have PPF deficiencies, and, if so, whether Plaintiffs oppose dismissal and the specific reasons for any such opposition; and (2) whether the cases that identify no venue in the complaint should be transferred, and, if so, to which specific districts. The Court intends to dismiss the cases for which no federal jurisdiction exists and all duplicate complaints. See Docs. 21167–9 (Ex. I), –10 (Ex. J), –11 (Ex. K). The parties shall set forth in the joint memorandum any opposition they may have to the dismissal of those cases. Signed by Senior Judge David G Campbell on 1/6/2020. This is a TEXT ENTRY ONLY. | 07/11/2020 | 21538 | ORDER . The Court will hold a telephone conference with the parties on Wednesday, July 15, 2020, at 10:00 a.m. Phoenix time (which is the same as 10:00 a.m. West Coast time because Phoenix does not switch to daylight savings time). Defense counsel shall arrange a call-in number and circulate it to the Court and all relevant parties. The purpose of the call will be to discuss the joint filing under seal at Doc. 21534. In addition to defense counsel, representatives of Freese & Goss and Mathews & Associates should be on the phone, as well as Plaintiffs' lead counsel. The Court is inclined to order that the 94 plaintiffs who have not accepted settlement terms, as described in the joint filing, be returned to the MDL for remand or transfer to their original courts. The Court also wishes to discuss whether other settlements not address in the joint filing, such as settlements by lead Plaintiffs' counsel or others, present the same possibility of dismissed plaintiffs rejecting settlement terms and then seeking to file new cases under a tolling agreement. If so, the Court likely will require that these cases also be returned to the MDL for remand or transfer. The Court will discuss with the parties the procedure and timing for such requirements, and how to ensure that the procedures capture all dismissed plaintiffs who may reject settlement terms and seek to re-file their claims. Signed by Senior Judge David G |
