Defendants.)	

Plaintiff initiated the above-entitled action on September 3, 2015, with the submission of an application to proceed *in forma pauperis* and proposed complaint. The court granted the application but dismissed the complaint pursuant to 28 U.S.C. § 1915(e)(2) for failure to state a cognizable claim.¹ Plaintiff subsequently filed a motion for reconsideration, which the court denied.

On October 1, 2015, plaintiff filed the following:

- (1) Notice of his consent to the undersigned’s consideration of a “Motion to Stay pending due process of law” (Docket No. 11);
- (2) Notice of Lawsuit and Request to Waive Service of a Summons for Defendant Randy Miller (Docket No. 11-1);
- (3) a proposed “Final Pretrial Statement” (Docket No. 11-2);
- (4) documents captioned “Exhibit 1” and “Exhibit 1A” (Docket Nos. 11-3 and 11-4);²

¹A summary of the procedural history of this matter along with a verbatim recitation of plaintiff’s claim is contained in the court’s September 10, 2015, order of dismissal. (Docket No. 7).

² The document captioned "Exhibit 1" reads as follows:

JURISDICTION
