Letter From Craig To The Fans

Please Read

My name is Craig Reed, I am a survivor of the LYNYRD SKYNYRD plane crash that took place on October 20, 1977. The private lives of Lynyrd Skynyrd have remained with me out of loyalty. I have been the most dedicated and devoted employee of the Lynyrd Skynyrd Band since 1973. This was even quoted by Billy Powell and the late Leon Wilkeson, and oddly enough, Ronny Van Zant used to say I would be with the band forever and I would never regret it. For things I did for the band above and beyond the normal call of duties. Like back in the early days, when there was NO MONEY, And I would take the required turn for each band member to spend the night guarding the equipment at a rehearsal studio known as the Hell House, (The name says it all). I took the place of each of them so they could go home and be with their families instead of a night from hell. Other things I did are some of the things in thier private life. I have kept secrets for 32 years. I guess its all no secrets anyways. Someone could have written about some of it In the multiple books that have been written.

I am currently offering my items from my 32 year collection of "LYNYRD SKYNYRD" memorabilia on eBay. These are garenteed authentic items from my personal collection, many, of which, are very rare and one of a kind items. Click the link below to view my current items for sale!
