

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF OHIO

FATINAH GALES,)	CASE NO. 1:13 CV 1929
)	
Plaintiffs,)	JUDGE CHRISTOPHER A. BOYKO
)	
v.)	
)	<u>MEMORANDUM OF OPINION</u>
JOHN SOLIDAY FINANCIAL GROUP, LLC,)	<u>AND ORDER</u>
)	
Defendant.)	

On September 3, 2013, Plaintiff *pro se* Fatinah Gales filed this *in forma pauperis* action against Defendant John Soliday Financial Group, LLC. In her very brief Complaint, Plaintiff asserts a claim under the Fair Debt Collections Practices Act. She makes only a very generalized allegation that Defendant violated the Act, and seeks to support her claim solely based on a number of attachments to the Complaint.

Although *pro se* pleadings are liberally construed, *Boag v. MacDougall*, 454 U.S. 364, 365 (1982) (per curiam); *Haines v. Kerner*, 404 U.S. 519, 520 (1972), the district court is required to dismiss an action under 28 U.S.C. § 1915(e) if it fails to state a claim upon which relief can be granted, or if it lacks an arguable basis in law or fact.¹ *Neitzke v. Williams*, 490

¹ A claim may be dismissed *sua sponte*, without prior notice to the plaintiff and without service of process on the defendant, if the court explicitly states that it is invoking section 1915(e) [formerly 28 U.S.C. § 1915(d)] and is dismissing the claim for one of the reasons set forth in the statute. *McGore v. Wrigglesworth*, 114 F.3d 601, 608-09 (6th Cir. 1997); *Spruytte v. Walters*, 753 F.2d 498, 500 (6th Cir. 1985), *cert. denied*, 474 U.S. 1054

U.S. 319 (1989); *Lawler v. Marshall*, 898 F.2d 1196 (6th Cir. 1990); *Sistrunk v. City of Strongsville*, 99 F.3d 194, 197 (6th Cir. 1996).

Under Federal Rule of Civil Procedure 8(a)(2), a pleading must contain a “short and plain statement of the claim showing that the pleader is entitled to relief.” *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009). The pleading standard Rule 8 announces does not require “detailed factual allegations,” but it demands more than an unadorned, the-defendant-unlawfully-harmed-me accusation. *Id.* A pleading that offers “labels and conclusions” or “a formulaic recitation of the elements of a cause of action will not do.” *Id.* Nor does a complaint suffice if it tenders naked assertion devoid of further factual enhancement. *Id.* It must contain sufficient factual matter, accepted as true, to “state a claim to relief that is plausible on its face.” *Id.* A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged. *Id.* The plausibility standard is not akin to a “probability requirement,” but it asks for more than a sheer possibility that a defendant has acted unlawfully. *Id.* Where a complaint pleads facts that are “merely consistent with” a defendant's liability, it “stops short of the line between possibility and plausibility of ‘entitlement to relief.’ ” *Id.*

Principles requiring generous construction of *pro se* pleadings are not without limits. *See Wells v. Brown*, 891 F.2d 591, 594 (6th Cir. 1989); *Beaudett v. City of Hampton*, 775 F.2d 1274, 1277 (4th Cir. 1985). A complaint must contain either direct or inferential allegations respecting all the material elements of some viable legal theory to satisfy federal notice pleading requirements. *See Schied v. Fanny Farmer Candy Shops, Inc.*, 859 F.2d 434, 437 (6th Cir. 1988). District courts are not required to conjure up questions never squarely presented. *Beaudett*, 775 F.2d at 1278. To do so would “require ...[the courts] to explore exhaustively all potential claims of a *pro se* plaintiff, ... [and] would...transform the district court from its

(1986); *Harris v. Johnson*, 784 F.2d 222, 224 (6th Cir. 1986); *Brooks v. Seiter*, 779 F.2d 1177, 1179 (6th Cir. 1985).

legitimate advisory role to the improper role of an advocate seeking out the strongest arguments and most successful strategies for a party." *Id.* at 1278.

Even liberally construed, the Complaint does not contain allegations reasonably suggesting Plaintiff might have a valid claim. *See, Lillard v. Shelby County Bd. of Educ.*, 76 F.3d 716 (6th Cir. 1996)(court not required to accept summary allegations or unwarranted legal conclusions in determining whether complaint states a claim for relief).

Accordingly, the request to proceed *in forma pauperis* is granted and this action is dismissed under section 1915(e). Further, the Court certifies, pursuant to 28 U.S.C. § 1915(a)(3), that an appeal from this decision could not be taken in good faith.

IT IS SO ORDERED.
