Check 'N' Go

Check 'N' Go was started with one simple idea - offer financial options that traditional banks wouldn't. This was mainly targeted at people who need a cash advance. Check 'N' Go has now established itself as a leader in payday loans. Check 'N' Go credits this mostly to their high customer service and ethical standards.

Number of Check 'N' Go locations

Check 'n Go currently has 1,300 payday/cash advance locations nationwide, and is always growing.

Loans offered by Check 'N' Go

Check 'N' Go offers online and in person payday loans. These loans are typically given for 14 days, and are paid back when you receive your next pay check.

Check 'N' Go's Finance Fees

Check 'N' Go charges a finance charge of \$25 for each \$100, which comes out to be an APR of 651.78% in a 14 day loan. For example, if you borrow \$100 and your next payday is 14 days away, then the finance charge is \$25, the total payment is \$125, and the Annual Percentage Rate is 651.78%. Of course, the actual Annual Percentage Rate (APR) of your loan may be more or less, depending on when you get paid next.

Check 'n Go

If you are short on cash, you can get the money you need with a payday cash advance from Check 'n Go.

Ohio-based Check 'n Go was a pioneer in the payday advance loan service. Today, the business has stores around the country and a strong, service-oriented online presence. Check 'n Go offers cash advances for the customer who occasionally needs a little extra help and who expects confidential, professional service.

Check 'n Go Loan Requirements

Information required in the cash advance or payday advance online process includes the following:

- Have an active checking account in your name
- Have a minimum monthly gross pay of \$800 (before taxes)
- Are at least eighteen years old
- Have a regular, verifiable source of income
- Are not currently a debtor in bankruptcy; do not intend to voluntarily file for bankruptcy
- Have not had more than 90 days of outstanding payday loans in a calendar year

You may need to fax copies of certain documents that are requested. Once all necessary documents are received, you will be sent an email to let you know your loan has been approved. When the process is complete, the cash will be deposited electronically directly into your checking account.

Check 'n Go Loan Repayment

When you receive your next paycheck (usually in two weeks), Check 'n Go will directly withdraw your payment from your account. It is your responsibility to make sure there is enough in your account to cover the withdrawal—or to arrange for an extension of the loan, if necessary and permitted by the state in which you reside

Cash Advance at PayDayLoanToday.com: Payday Loan, Payday Advance

WARNING! You Must Read This Message Before You Request Another Cash Advance.

NOT all [REDACTED] ARE the SAME

Compare the Three Major Differences!

1. Let **PaydayLoanToday.com** help you meet your short term financial needs from \$150 to \$500. If you haven't applied with us before, we would like to earn your business. Offering you a **limited time special, NO FEE LOAN upto \$200.00 for 30 days**. Just type in the offer code "no fee 200" in the comments field!!! A few short easy prompts and your done!
2. Our competitors want you to keep paying rollover fees every month until the full amount of the principle loan is paid off. **Our Rollover Fee Policy is Completely Different** and there is no one in the industry like us. After a couple of months we drop those pesky rollover fees which could be add up over \$100 a month to assist in helping you pay off the principal of your loan. We challenge you to find anyone else like us. We want your long-term business and will educate you through the entire process along with helping you pay off your loan as quickly as possible.
3. Some of our competitors say they are faxless. That may be true for 1% of their customers. **Don't be deceived**. We provide **Three-Easy-Ways** for you to contact us with your bank statement. a) fax b) fax from Kinkos etc, then, we'll reimburse you if you fax along your receipt. c) scan statement and email.

If you have a job and a checking account, you pre-qualify to borrow up to \$500. Payday Loan Today is an online cash advance service for today's customer. After you qualify for an instant cash advance, there are no more qualifying hassles. Come back as often as you need an instant cash advance today, tomorrow or anytime. The payday advance will be in your bank account by next morning. You can also do a payday advance loan extension online in about 60 seconds.
