Re: *Google Inc. v. Traffic Information, LLC*

Dear Mr. Wilson:

Enclosed is a subpoena with deposition notice and document requests that are being served in connection with the above lawsuit, which is pending in federal court in Oregon. This is a patent infringement action involving the traffic feature of *Google Maps for Mobile*. We represent the patent owner, Traffic Information, LLC, and seek discovery from your company regarding its activities related to this lawsuit, such as sales information regarding certain mobile telephones loaded with *Google Maps for Mobile*, as more fully explained in the attached papers.

We wish to minimize burden on you in responding to this request. Please contact us to discuss how we can cooperate to keep the document production and deposition time to a minimum, and any other thoughts you have on how to streamline this process.

Very truly yours,

POLASEK, QUISENBERRY & ERRINGTON, L.L.P.
