

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION

DAVID C. HOWARD,
Plaintiff,

Case No. 1:13-cv-295
Spiegel, J.
Litkovitz, M.J.

vs.

COMMISSIONER OF THE
SOCIAL SECURITY
ADMINISTRATION, et al.,

ORDER

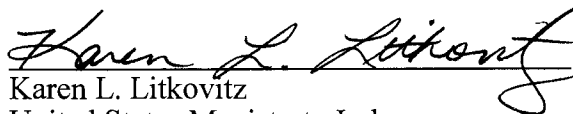

This matter is before the Court on plaintiff's "motion to comply." (Doc. 7).

On July 19, 2013, the Court granted plaintiff leave to proceed *in forma pauperis* in this matter. (Doc. 10). Plaintiff's "motion to comply" (Doc. 7) essentially seeks an order stopping the withdrawal of funds from his inmate account until his release from prison because he has limited funds to cover his other expenses while he is incarcerated.

The obligation to pay the full filing fee attaches when a prisoner files his complaint. *See McGore v. Wrigglesworth*, 114 F.3d 601, 604 (6th Cir. 1997). The law is clearly established that events subsequent to the filing of the complaint do not negate the obligation to pay the fee. *See In re Alea*, 286 F.3d 378 (6th Cir.2002). Therefore, plaintiff's motion is **DENIED**.

IT IS SO ORDERED.
