

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION

MICHAEL D. CRUTCHFIELD,
Petitioner,

vs.

WARDEN, CORRECTIONAL
RECEPTION CENTER,
Respondent.

Case No. 1:13-cv-438

Beckwith, J.
Litkovitz, M.J.

ORDER

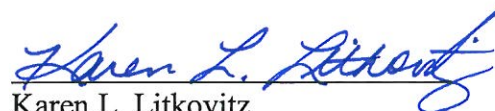

This pro se habeas corpus action filed pursuant to 28 U.S.C. § 2254 is before the Court on petitioner's motion to expand the record and respondent's response in opposition. (Doc. 9, 10). In the motion, petitioner requests that respondent include trial transcripts in the record.

In a separate Report and Recommendation issued this date, the undersigned has recommended that petitioner's habeas corpus petition (Doc. 1) be dismissed because petitioner's grounds for relief were procedurally defaulted and waived.

Petitioner's motion (Doc. 9) is therefore **DENIED** as moot.

IT IS SO ORDERED.
