ORDER

Plaintiff Darries Sherrills's February 16, 2011 motion for relief from judgment (doc. 58) is DENIED. This is a closed case. This Court dismissed the complaint January 9, 2007 after plaintiff Sherrills failed to pay the \$350 filing fee. The United States Court of Appeals for the Sixth Circuit later denied Sherrills's motion to proceed *in forma pauperis* because he has filed three previous frivolous suits and/or appeals.

On February 1, 2011, the Court denied Sherrill's belated motion challenging the judgment and the Court of Appeals' decision affirming it (doc. 57). He again repeats the same arguments. If Sherrills believes he is currently being denied a constitutional right by the Ohio courts, he may file a new suit raising that claim.
