CERTIFICATE OF JOHN CAYLOR

I hereby affirm under oath, declare under penalty of perjury, and declare in contemplation of imminent death:

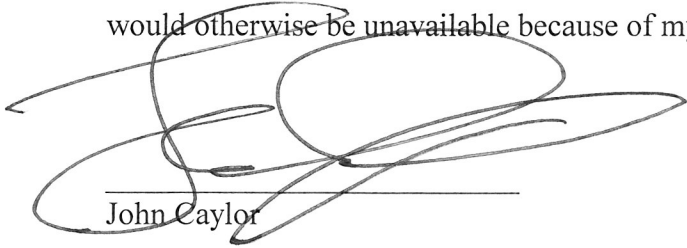

1. That the statements made by me in the series of audio digital recordings before Clifford O. Arnebeck, Jr. are true and correct based upon my personal knowledge,

2. That the testimony and evidence I am offering is in contemplation of my death at the hands of the agents of the perpetrators of the civil rights, corrupt practices, and racketeering influenced and corrupt organizational conspiracy that I describe, including a series of capital murders,

3. That the motive for the perpetrators targeting me for death is to prevent my testimony as set forth in these statements recorded between March 12, 2009 and March 18, 2009 in Columbus,

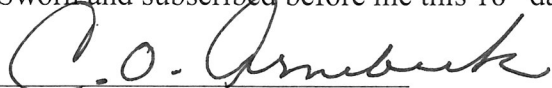

Ohio, where I have been residing being used as evidence in civil and criminal prosecution of claims against these perpetrators, and

4. That I desire and intend that this evidence be available for use by plaintiffs' counsel in this case or any other case they may bring, in which this testimony might be material and relevant but would otherwise be unavailable because of my death.
