Counsel for Plaintiffs

MEMORANDUM IN SUPPORT OF MOTION

Plaintiffs' trial attorney, had intended to respond to the pending motion for reconsideration with a general motion to strike the extensive hearsay evidence, originating from unidentified sources, offered in the declarations attached to that motion. However, his co-counsel have persuaded him that, because of the defamatory nature of that material and the broad interest in this case among the public, all of the defamatory assertions should be specifically countered with admissible evidence. Counsel require an additional week to prepare this material.

The undersigned counsel requested the consent of the moving intervenor plaintiffs through Ms. Lupo and Ms. Shaffer this 17th day of April. Ms. Shaffer indicated she was not agreeable to the request but would check with the other *pro se* members of her group and get back. She has not gotten back, but counsel believes, based upon their past practice of withholding consent to requested extensions, that consent will not be given in this instance.

Wherefore, the requested extension is in the interest of the efficient administration of justice on the merits and should be granted.

Respectfully submitted,

/s/Clifford O. Arnebeck, Jr.
