"If We Were a Movie" Poster

Limitations of Claims 1 and 5 of '272 Patent

a **poster** comprised of a first material, said poster having a first surface, said first surface including poster art thereon;

a **housing** comprised of a second material, said housing attached to a portion of said first surface of said poster;

a **speaker** concealed between said housing and said first surface of said poster;

an **electric circuit** including a sound production component, operatively connected to said speaker and concealed between said housing and said first surface of said poster;

a **trigger** attached to said electric circuit and concealed within said housing, said trigger adapted to be actuated through said housing to produce said sound;

wherein a **surface of said housing** is prepared with a matching art which is substantially the same as that area of said poster art which appears on said portion of said poster that said housing covers when said housing is attached to said poster, such that said housing **artistically blends in with the surrounding poster art** that is not covered by said housing.

Magenta color of speaker housing artistically blends with poster art because it exactly matches predominant color of poster background.
