EASTERN DIVISION

HENRY MCCLUSKY,

Plaintiff,

v.

CENTURY BANK, FSB, n/k/a/,

Defendant.

Case No. 2:12-cv-706

JUDGE EDMUND A. SARGUS, JR.

Magistrate Judge Elizabeth P. Deavers

ORDER

This matter was scheduled for a hearing on attorneys' fees and mitigation of Plaintiff's damages on November 13, 2013. The Court held a conference with the parties on that day, in which the attorney fees and mitigation issues were resolved to the extent that they can be prior to Defendant's appeal of this Court's Order on its dispositive motion. The parties agreed to submit a proposed order with the agreements made as to these two issues. Once the Court receives the proposed order and finds it acceptable, it will enter final judgment in this case so that Defendant can file its appeal.

IT IS SO ORDERED.
