DECISION AND ENTRY ACCEPTING RULE 26(f) REPORT WITH ONE
AMENDMENT; FURTHER PROCEDURES SET FORTH; FURTHER
CONFERENCE CALL SET

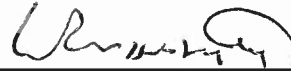

The captioned matter came on to be heard upon a telephone conference call, held between Court and counsel, on September 30, 2010. During said call, the following matters were discussed and agreed upon.

1. This Court accepted the Rule 26(f) Report, filed September 22, 2010, with one amendment, to wit: in paragraph numbered four, the date of October 15, 2010, is extended to December 15, 2010. This is done for the purpose of continuing to monitor the approval of the settlement by the Government, and the hope that the parties will not

have to spend additional monies, carrying forth the 26(f) Report, should the matter ultimately settle.

2. A follow-up telephone conference call will be convened, beginning at 5:00 p.m. on Wednesday, December 8, 2010, for the purpose of monitoring the aforesaid settlement approval process, to determine the then viability of the above mentioned Rule 26(f) Report and to set a trial date.
