Case No. 3:14cv041

JUDGE WALTER H. RICE

DECISION AND ENTRY OVERRULING MOTIONS TO DISMISS OF
DEFENDANT RICHARD E. JACKSON, FILED *PRO SE* (DOC. #3 AND #7)

The Defendant, Richard E. Jackson, proceeding *pro se*, has filed two letters with this Court, one dated February 17, 2014, and the other dated March 25, 2014. These letters have both been docketed by this Court as a Motion to be Discharged Immediately from Further Action or Participation in Civil Action 3:14-cv-041 (Doc. #3 and #7), respectively.

The aforesaid motions are overruled in their entirety, given that same are both premature and lacking any legal or evidentiary basis upon which to entertain same at this stage of the proceedings. A preliminary pretrial conference was held on May 21, 2014, wherein certain procedures were set and are presently being implemented, to wit: the filing of the Administrative Transcript and requests by certain parties for the supplementation of same.
