JUDGE WALTER H. RICE

DECISION AND ENTRY OVERRULING WITHOUT PREJUDICE  
DEFENDANT'S MOTION TO STRIKE OR DISMISS CLASS  
ALLEGATIONS FROM THE SECOND AMENDED CLASS ACTION  
COMPLAINT (DOC. #53)

---

This matter is currently before the Court on Defendant's Motion to Strike or Dismiss Class Allegations from the Second Amended Class Action Complaint. Doc. #53. Having reviewed the parties' briefs, Docs. ##53, 59, 60, the Court concludes that it cannot decide the class certification issue without a choice-of-law analysis. Given that neither party has yet provided the Court with a thorough choice-of-law analysis, the Court OVERRULES Defendant's motion as premature. The Court plans to decide the class certification issue only on a fully-briefed motion for class certification, to be filed by Plaintiff at a later date.

The Court will schedule a Preliminary Pretrial Conference, and then issue a Scheduling Order setting appropriate deadlines.

Date: February 27, 2017
