

**IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION AT DAYTON**

WAYNE KRZYSIAK, et al.	:	CASE NO. 3:16CV443
Plaintiffs,	:	JUDGE WALTER H. RICE
v.	:	
NAVISTAR INTERNATIONAL CORPORTATION, et al.	:	
Defendants.	:	

**DECISION AND ENTRY DECLARING CAPTIONED CAUSE TO BE NOT AT ISSUE
AND, THEREFORE, NOT INCLUDABLE ON MARCH 31, 2019, BIDEN LIST AS
“OVER-AGED BENCH TRIAL”**

On September 25 and 26th, 2018, a trial was held on the bifurcated statute of limitations issue. At its conclusion, the Court postponed post-trial briefing in order to allow Plaintiffs to file a motion to strike certain testimony that Plaintiffs allege was not disclosed by Defendants in discovery responses prior to trial. In lieu of filing such, Plaintiffs have, instead, filed a Motion for Sanctions against Defendants. Doc. No. 50.

Following briefing and oral argument thereon, this Court, on March 26, 2019, filed a Decision and Entry sustaining said Motion and, in doing so, re-opened discovery until May 28, 2019, and set a telephone conference call for May 31, 2019, to determine a date for the filing of a renewed motion for summary judgment, on the statute of limitations issues, and/or a trial date to supplement the testimony introduced at the September trial, or both.

Accordingly, the statute of limitations issue, the subject of the September trial, has not been decided, nor even briefed, and will not be so until previous discovery has been

supplemented by the additional discovery recently ordered by the Court. In short, a renewed motion for summary judgment and/or the re-opening of the September hearing may be required. In addition, the merits of Plaintiffs' lawsuit have not been heard at trial and/or briefed. Thus, the captioned cause is not at issue and is, therefore, not to be included on the upcoming Biden List as a bench trial under advisement for a six-month period of time.

IT IS SO ORDERED.

March 28, 2019

WALTER H. RICE, JUDGE
UNITED STATES DISTRICT COURT
