1.

Magistrate Judge Suzanne Mitchell entered a Report and Recommendation on March 28, 2013. March Report and Recommendation at doc. no. 45; motion to dismiss at doc. no. 27.

The March Report and Recommendation recommends that defendant Jones’ motion to dismiss be granted, that plaintiff’s official capacity claims against defendant Jones be dismissed with prejudice, and that the individual capacity claims against defendant Jones be dismissed on the basis of qualified immunity. The March Report and Recommendation further advised the parties of their right to object to the Report and Recommendation by April 18, 2013. The Report and Recommendation also

advised that failure to make timely objection waives the right to appellate review of both factual and legal questions contained in the Report and Recommendation.

Having reviewed the March Report and Recommendation, and with there being no objection, the court finds that it agrees with the recommendations of the magistrate judge and that no purpose would be served by any further analysis here.

The April Report and Recommendation also advises that failure to make timely objection waives the right to appellate review of both factual and legal questions contained in the Report and Recommendation.

No objection has been filed to the April Report and Recommendation, and no request for an extension has been submitted.

Having reviewed the April Report and Recommendation, and with there being no objection, the court finds that it agrees with the recommendations of the magistrate judge and that no purpose would be served by any further analysis here.
