

IN THE UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF OKLAHOMA

MICHAEL LEON JAMESON, )
Petitioner, )
vs. ) No. CIV-13-680-C
CHARLES E. SAMUELS, JR., Director, )
Respondent. )

ORDER ADOPTING REPORT AND RECOMMENDATION

This action for habeas corpus relief brought by a prisoner, proceeding pro se, was referred to United States Magistrate Judge Gary M. Purcell consistent with the provisions of 28 U.S.C. § 636(b)(1)(B). Judge Purcell entered a Report and Recommendation on July 18, 2013, to which Petitioner has timely objected. The Court therefore considers the matter de novo.

The facts and law are accurately set out in the Magistrate Judge’s Report and Recommendation and there is no purpose to be served in repeating them yet again. In his objection, Petitioner merely restates the conclusions and legal argument originally asserted, and raises no issue not fully and accurately addressed and rejected by the Magistrate Judge.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons announced therein, this petition for habeas corpus is dismissed without prejudice for lack of jurisdiction. A judgment will enter.

IT IS SO ORDERED this 13th day of August, 2013.
