ORDER ADOPTING REPORT AND RECOMMENDATION

This action for habeas corpus relief brought by a prisoner, proceeding pro se, was referred to United States Magistrate Judge Bernard M. Jones, consistent with the provisions of 28 U.S.C. § 636(b)(1)(B). Judge Jones entered a Report and Recommendation on September 12, 2017, to which Petitioner has timely objected. The Court therefore considers the matter de novo.

The facts and law are accurately set out in Judge Jones’s Report and Recommendation and there is no purpose to be served in repeating them yet again. There was nothing asserted by the Petitioner in his objection which was not fully considered and correctly rejected by the Magistrate Judge, and no argument of fact or law is set forth in the objection which would require a different result.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons announced therein, denies this petition for habeas corpus relief. A judgment will enter accordingly.

IT IS SO ORDERED this 24th day of October, 2017.

ROBIN J. CAUTHRON
United States District Judge
