**ORDER**

Before the Court is Defendant Grady B. Benson’s Motion for Summary Judgment [Doc. No. 28], wherein Mr. Benson requests the Court to rule as a matter of law that he is entitled to life insurance proceeds currently deposited with the Court, and accordingly, to order such proceeds distributed to him. Upon consideration of the Motion, oral arguments,<sup>1</sup> and the case record, the Court finds that additional information is necessary before a final determination on the Motion can be made. The Court further finds that certain information likely can be obtained from the Oklahoma State Bureau of Investigation’s (“OSBI”) records regarding the death of Summer Benson, and that an *in camera* examination of the records is sufficient for the Court’s immediate purposes. *See* OKLA. STAT. tit. 74, § 150.5(D) (recognizing all records relating to an OSBI investigation are confidential and not open to the public); *State ex rel. Hicks v. Thompson*, 851 P.2d 1077 (Okla. 1993).
