**ORDER**

Petitioner filed this action seeking a writ of habeas corpus under 28 U.S.C. § 2241. In the petition he challenges misconducts he received, which he claims resulted in the loss of good time credits. The case was referred to Magistrate Judge Bernard Jones for initial proceedings under 28 U.S.C. § 636(b)(1)(B) & (C). Judge Jones recommended that the matter be transferred to the United States District Court for the Eastern District of Oklahoma, as petitioner was housed in a facility within that district. Petitioner was given until July 6, 2017 to object to Judge Jones' recommendation, but no objection has been filed. In the absence of objection,<sup>1</sup> and as the proposed action appears otherwise proper, the Report and Recommendation is adopted. This case is **TRANSFERRED** to the United States District Court for the Eastern District of Oklahoma.

**IT IS SO ORDERED.**

<sup>1</sup> *There is some indication petitioner has been released from prison in the meantime and this case may therefore be moot. Further, petitioner may not have received notice of the Report as a result. However, as notice was delivered to petitioner's last known address and no change of address notice has been filed, he is deemed to have received notice. L.Cv.R. 5.4(a)*

Dated this 7<sup>th</sup> day of July, 2017.
