Attorneys for Defendants

KING, Judge:

The Honorable Janice Stewart, United States Magistrate Judge, filed Findings and Recommendation on December 21, 2010. The matter is now before me pursuant to 28 U.S.C. § 636(b)(1)(B) and Rule 72(b) of the Federal Rules of Civil Procedure. Decisions on dispositive issues under 28 U.S.C. § 636(b)(1)(B) are reviewed de novo. United States v. Raddatz, 447 U.S. 667, 673 (1980); Bhan v. NME Hospitals, Inc., 929 F.2d 1404, 1414 (9th Cir. 1991). When a party objects to any portion of the Magistrate's Findings and Recommendation, the district court must make a de novo determination of that portion of the Magistrate's report. 28 U.S.C. § 636(b)(1)(C); United States v. Remsing, 874 F.2d 614 (9th Cir. 1989). Defendants object to the Magistrate Judge's conclusion that there was a genuine issue of material fact on whether defendants had responded reasonably to a substantial risk of serious harm to a group of inmates, and therefore that defendants were not entitled to summary judgment in their favor.

I have considered defendants' objections and given the Findings and Recommendation de novo review, and find no legal error or clearly erroneous factual findings. Accordingly, I ADOPT the Magistrate Judge's Findings and Recommendations (doc. # 111). Defendants' Motion for Summary Judgment (doc. # 66) is GRANTED as to Claims II, IV and V, and

defendants Geer and Clark are dismissed. Defendants' Motion for Summary Judgment is DENIED as to Claims I and III, with leave to renew the motions after completion of discovery.

IT IS SO ORDERED.

Dated this _____7th_____ day of March, 2011.
