1 Dear Judge Brown Jan. 05, 09

2 My name is Matthew Robert Young, I am the pro se plaintiff
3 in the civil actions Young v. Intel corporation et al., 3:08-cv-1496 BR
4 and Young v. Nooth, et al., CV-08-1178-PK.

5 I do not know what your hidden intent is, nor do I care, I am
6 formally requesting that you remove yourself from "ANY" matter
7 wherefore I have an interest, you have shown a malicious moral
8 turpitude toward me in a case to which you are not even assigned
9 and you clearly misapplied all of the general rules of law to do so

FILED 09 JAN 14 11 24 AM JSD:DP

10 I am also informing you that I will be pursuing formal
11 complaints against you, I have learned from past experience with
12 another evil judge, Michael W. Mosman, how to file such a
13 complaints, and to be patient, (to a fault) while waiting the out
14 come.

15 Please know this, if you do not remove yourself from my
16 affairs, I will dismiss my own complaint, until such time as I
17 have effectively ~~been~~ barred you from EVER hearing any of my issues
18 of affairs.

19 PS You ~~ERRORED~~ when you failed to acknowledge my claims
20 against the court appointed attorney

21 THANK YOU

22 RESPECTFULLY.
