HERNANDEZ, District Judge:

Magistrate Judge John V. Acosta issued a Findings and Recommendation (doc. #80) on August 10, 2011, in which he recommends that I grant the amended motion for summary judgment (doc. #31) filed by IPC International Corporation. The Magistrate Judge also issued a Findings and Recommendation (doc. #81) the same day, August 10, 2011, in which he

recommends that I grant the motions for summary judgments (doc. #20 and #24) filed by CenterCal Properties and BV CenterCal, LLC, respectively. The matter is now before me pursuant to 28 U.S.C. § 636(b)(1)(B) and Federal Rule of Civil Procedure 72(b).

Because no objections to the Magistrate Judge's Findings and Recommendations were timely filed, I am relieved of my obligation to review the record de novo. United States v. Reyna-Tapia, 328 F.3d 1114, 1121 (9th Cir. 2003); see also United States v. Bernhardt, 840 F.2d 1441, 1444 (9th Cir. 1988) (de novo review required only for portions of Magistrate Judge's report to which objections have been made). Having reviewed the legal principles de novo, I find no error.

CONCLUSION

The court ADOPTS the Magistrate Judge's Findings and Recommendations (doc. #80 and #81). Accordingly, Defendants' motions for summary judgment (doc. #20, #24, and #31) are GRANTED.

IT IS SO ORDERED.

DATED this 31st day of August, 2011.

/s/ Marco A. Hernandez
