Civil Complaint
"Delivering Me Injustice"
TRO Temporary Restraining Order

Comes now the Plaintiff, Dr. Jonathan Lee Riches[Ⓢ], PhD at Identities, IN pro-se, armed head to toe with the 1st amendment, Moves this Honorable Court to issue an order for Defendants and communists named in this suit to respond. This is a TRO Temporary Restraining order the world is in danger motion. Various acts of deceit, fraud, misrepresentations, driving without liscenses, treason, false Advertising, vehicle noise, chemical weapons, and Mail fraud. Plaintiff moves this court as Defendants violated my 1st, 4th, 5th, 6th, 8th, 14th amendments. Plaintiff seeks \$11.26 for my package loss of my chinese friend and a Everlasting ban on United states delivery. Plaintiff moves for a Jury trial. Plaintiff prays for relief

1

Defendants have been blocking my 1st amendment access to the courts for 25 years. Defendants put explodable ink dye in my mail so my recipients cant read what I'm saying. Defendants put tons of fire ants in my mail to tease me and scare my soul when I open it.

Defendants are negligent on May 2, 2005 towards my mail. I get footprints on my letters, a cheap perfume smell. Last October the Defendants sent a used Index finger of a hispanic.

2

Defendants entrap people through the mail. Defendants allowed cho to deliver his mail to NBC at Norris Hall and Kingdom Hall of the Jehovah's. DR. Steven Hatfield was forced by Defendants in Trenton NJ to send Anthrax to me. I cant use the mail to file lawsuits without being persecuted. Defendants always lace my stamps with rat poison. Seattle subway rats, Subway with Jarnd. Every day the Defendants raise postal rates limiting my access to courts. The stamps weigh too much, It makes envelopes heavier and the Fci Williamsburg DR. says I cant lift over 10 ounces as part of my rehabilitation.

3

Feb 24th, 2003 - Paul Revere did not warn me about my indictment. A deliberate indifference. Smurky Jones rode past my Florida home instead. Inmates play horseshoes at Fci Williamsburg with Reverses feet.

4

Under whistleblowing laws, I worked for UPS in 1996, 1997 as a package handler in cold frosty trailers, in dead winter with the AC cranked up. Shorts and a muscle shirt. UPS made me join the teamsters union, I was forced to pay dues or Defendants threatened me with Jimmy Ho Afa and Bounty Hunter Diamond dog, and Paulie West coaster Chopper, and Steven Segal and Patrick Ewing.

5

May 10, 2006 - I ordered a Pizzahut double crust from the Fci Williamsburg Prison Phone. Pizzahut Advertises 30 minutes or less. No pizza came, no dipping sauce or breadsticks. A fraud in my eyes. We ate Prison liver that night.

6

I need to file a complaint and suit with John E. Potter, his brother the magical Harry Potter, the Pottery barn, and U.S. Post office, on Aug 7, 2007 my friend old Chinese prisoner Yuk Rung Tsang 37357-053 sent a certified mail to his Attorney Richard Amberg, Keego Harbor, MI 48320. I got a copy of the Return Receipt Service, I got that back on Aug 8, 2007. I paid \$6.79 for the fee of the Postal service. On Aug 29, 2007 they never received the package at the lawyers office, I checked for Tsang at the Prison mail room, and the officer in the mail room gave me a track and confirm with "there is no record of this item", the Post office and John Potter lost Tsang's package. Tsang lost his timing of filing legal papers, and nobody will do anything. What is this court gonna do? I bet a million dollars this court will say this is "frivolous". When in fact I'm sending proof, this court is protecting the USPS and Fedex because it needs their service to send innocent Americans judgments and court cost bills. The mail is the wheels of commerce. How can I expect a fair hearing? I'm so disappointed in the Postal Service, you pay extra for certified and Return Receipt, but they still lose your property. So why do I have to pay more for a service that rips me off. Thousands of people mail get lost everyday. It's time for the Post office to learn a lesson, so they can do better tomorrow. The Post office is violating my 6th amendment rights under Booker/Furman knowing and sending court ordered mail from New Orleans affirming my sentence knowing I was enhanced.

Restraining Order - Stop all shipping in this country, lets go back to the horse and buggy days so no innocent people like myself can have their 6th and 8th amendment rights violated. Keep the defendants away from me

Jonathan Lee Riches
