v.

KYW News radio 1060,  
Defendant

complaint

Comes Now the Plaintiff, Jonathan Lee Riches<sup>Ⓢ</sup>, in pro-se, Moves under 42 USC 1983. I seek \$30 million dollars for misinformation, I lived in Pennsylvania in 2002. In April, news radio said the forecast was sunny and warm, it ended up with 7 inches of snow and 31°, I got Frost Bite. In May 2002, they reported stocks were up in trading, I bought Kyw stock and it tanked with Enron. In Aug 2002 I was on Rt. 202 on my way to King of prussia, the traffic report said the road was clear, I got backed up 10 miles, and missed department store sales. Defendant uses Advertisers that do business with Iran, i.e. chevron, coca cola, godaddy.com, this is a violation of Federal Law, I witnessed KYW trucks speeding on I-95, violation of Laws and Civil rights. KYW reporters do "HP pretexting" to get peoples visited numbers for stories. I'm offended I can't get fair and balanced news, Defendant has a duty to provide accurate information. Their deliberate indifference cost me mental pain and suffering.
