Defendants

Complaint

42 USC 1983 / Sexual Harassment / PRO Temporary Restraining order

Comes now the Plaintiff, Jonathan Lee Riches[©], in pro-se, moves under 42 USC 1983, Plaintiff seeks \$30 million dollars. Defendants have been offending me with their Advertisements in magazine and Radio, this is sexual harassment. Defendants don't put a warning label on their commercials. I watch TV, during the day, Defendants are using sex to make money. Also Defendants are encouraging homosexuality in Federal prisons, using subliminal messaging, Viagra is ruining the minds of children. Defendants plan to advertise during the Superbowl, the Audience is family oriented, I move for a Restraining order. I have a Rollingstones magazine, I was not warned of sexual content in the back, where defendants Advertise. This has cause me nerve damage. I'm a born again christian, this is unconstitutional, I should not be subjected to this Pornography.
