Complaint

Comes now the Plaintiff, Jonathan Lee Riches[Ⓢ], under 42 USC 1983. I seek \$10 million.
Defendants are harassing me with Prank Phone calls at FCI Williamsburg. I'm in Solitary
Confinement. The Administration told me Knoxville keeps calling me from Temple University.
Trying to get me on tape talking about my 8th amendment rights being violated. Solitary
Confinement is a civil rights violation. I'm nervous and scared.
