languages other than English, and was very difficult to communicate. "Moderate" and "Adult" have very different meanings and cross languages much more easily.

Is the rating name change another way to separate Adult content?

No. The name change is just a name change. It doesn't affect the way Residents find or access regions or content.

Differences between Maturity Ratings

General

There are some landowners and Residents who desire a Second Life experience distinct from the activity that occurs in  **Moderate** and  **Adult** Regions. Region owners who wish to host this sort of Second Life experience can (but need not) designate their Regions as  **General**. A Region may be designated  **General** if it does not advertise or make available content or activity that's sexually explicit, violent or depicts nudity. Likewise, sexually-oriented objects such as "sex beds" or poseballs may not be located or sold in PG regions.

As we've also often said, PG regions are areas where you'd feel free to say and do things that you'd be comfortable saying and doing in front of your grandmother, or a grade school class. Institutions such as universities, conference organizers, and real world businesses, for instance, may wish to designate their Regions as  **General**. Likewise their users (and others) may wish to employ Second Life's PG search setting to deliver further targeted search results.

If you're unsure whether your region is PG or mature, or feel there's some ambiguity as to whether your content and activities are allowed in PG regions, it's probably best to designate your region as  **Moderate**.

Please refer to our FAQs for further guidance on the implementation and enforcement of this policy, information on our account verification procedures, and information on how we will transition our Region owners and merchants to this system in an efficient way.

Tip: Bookmark our **Community Standards** (<http://secondlife.com/corporate/cs.php>) and **Terms of Service** (<http://secondlife.com/corporate/tos.php>) so you have our overall rules close by!

Moderate

Second Life's  **Moderate** Designation is intended to accommodate most of the non-adult activities that are common in Second Life. For instance, social and dance clubs (unless those clubs promote sexual conduct or use adult search tags), bars, stores and malls, galleries, music venues, beaches, parks (and other spaces for socializing, creating, and learning) all support a  **Moderate** designation so long as they don't host publicly promoted adult activities or content.

Thus, Residents in these spaces should expect to see a variety of themes and content. For instance, stores that sell a range of content that includes some "sexy" clothing or objects can generally reside in  **Moderate** rather than  **Adult** Regions. Dance clubs that feature "burlesque" acts can also generally reside in  **Moderate** Regions so long as they don't promote sexual conduct, such as through pose balls (whether in "backrooms" or more visible spaces). However, if any of these businesses uses adult-oriented search tags, it may be categorized as adult and also blocked from appearing in non-adult search.

Groups, events and classifieds that relate to this broad range of activities and themes generally should also be designated as  **Moderate**.

Adult

The  **Adult** designation applies to Second Life® Regions that host conduct or display content that is sexually explicit or intensely violent, or depicts illicit drug use. Any Region must be designated  **Adult** and therefore require account verification, if it advertises or publicly promotes the following:

- Representations of intensely violent acts, whether or not photo-realistic (for example, depicting death, torture,

dismemberment or other severe bodily harm)

- Photo-realistic nudity; photo-realistic means that an image either is or cannot be distinguished from a photograph
- Expressly sexually themed content, spaces or activities (whether or not photo-realistic); we will broadly define what is "sexually themed" to include any sexually oriented activities and conduct

Groups, event listings and classified ads that reference these themes or content must also be designated  **Adult**. Linden Lab will enforce these rules. However, we can't monitor all ephemeral content and conduct within Second Life. We will therefore rely on several factors in implementing these  **Adult** designation requirements:

1. First and foremost, Regions, groups, and event or classified ad listings that employ search tags plainly suggestive of adult behavior or content will require the respective  **Adult** designation, and not be viewable to Residents who are not account verified.
2. Second, we will conduct proactive monitoring and rely on abuse reports that identify adult content or conduct that is promoted or advertised publicly. Where adult content or conduct on a Region is publicly advertised or promoted, that Region must be designated as  **Adult** (or such content must be removed). We will re-designate such Regions if adult content is not removed.
3. We may take into account whether apparent or reported adult content or conduct on a particular Region serves only an extremely limited or passive function, or an important educational or cultural function, and therefore would be appropriate for all Second Life audiences.
4. As with all reported activity in violation of our policies, we will actively review all reports of adult conduct and provide Residents with a channel for rebuttal.

In the linked FAQs, we offer examples as to what types of Regions are and are not considered adult, based on, for example, distinctions between "public" and "private" content, as well as distinctions between content that is "expressly sexually themed" and content that is not. Linden Lab has created a special-use "Adult Continent" — a "mainland" alternative where adult content and activities can be located and found by Residents. Landowners wishing to host adult activities or make available adult content can either

- Locate on this Adult continent
- Locate on a Region that has been designated by its owner as  **Adult**

Region owners are responsible for designating a Region's maturity level. Occupants of Regions will be expected to locate in a Region suitable to each occupant's content and conduct.

Can I help spread the word?

Please do! Let any confused friends know about this page.

If you edit wiki pages and spot instances of the old maturity rating names, take a few seconds to update them to the current ones using these templates:

-  **General** - `{{mrg}}`
-  **Moderate** - `{{mrm}}`
-  **Adult** - `{{mra}}`

Also, for when multiple inclusive ratings are needed as shown in Preferences:

-  **General and Moderate** - `{{mrgm}}`
-  **General, Moderate, Adult** - `{{mrgma}}`

We'll be optimizing these templates over time as word gets out. In the meantime, we really appreciate it, thanks!

Terms of Service

Welcome to Second Life! The following agreement (this "Agreement" or the "Terms of Service") describes the terms on which Linden Research, Inc. ("Linden Lab") offers you access to its services. This offer is conditioned on your agreement to all of the terms and conditions contained in the Terms of Service, including your compliance with the policies and terms linked to (by way of the provided URLs) from this Agreement. By using Second Life, you agree to these Terms of Service. If you do not so agree, you should decline this agreement, in which case you are prohibited from accessing or using Second Life. Linden Lab may amend this Agreement at any time in its sole discretion, effective upon posting the amended Agreement at the domain or subdomains of <http://secondlife.com> where the prior version of this Agreement was posted, or by communicating these changes through any written contact method we have established with you.

THE SERVICES AND CONTENT OF SECOND LIFE

1.1 Basic description of the service: Second Life, a multi-user environment, including software and websites.

"Second Life" is the multi-user online service offered by Linden Lab, including the software provided to you by Linden Lab (collectively, the "Linden Software") and the online environments that support the service, including without limitation: the server computation, software access, messaging and protocols that simulate the Second Life environment (the "Servers"), the software that is provided by Linden Lab and installed on the local computer or other device you use to access the Servers and thereby view or otherwise access the Second Life environment (the "Viewer"), application program interfaces provided by Linden Lab to you for use with Second Life (the "APIs"), and access to the websites and services available from the domain and subdomains of <http://secondlife.com> (the "Websites"). The Servers, Viewer, APIs, Websites and any other Linden Software collectively constitute the "Service" as used in this Agreement.

1.2 Linden Lab is a service provider, which means, among other things, that Linden Lab does not control various aspects of the Service.

You acknowledge that Linden Lab is a service provider that may allow people to interact online regarding topics and content chosen by users of the service, and that users can alter the service environment on a real-time basis. Linden Lab generally does not regulate the content of communications between users or users' interactions with the Service. As a result, Linden Lab has very limited control, if any, over the quality, safety, morality, legality, truthfulness or accuracy of various aspects of the Service.

1.3 Content available in the Service may be provided by users of the Service, rather than by Linden Lab. Linden Lab and other parties have rights in their respective content, which you agree to respect.

You acknowledge that: (i) by using the Service you may have access to graphics, sound effects, music, video, audio, computer programs, animation, text and other creative output (collectively, "Content"), and (ii) Content may be provided under license by independent content providers, including contributions from other users of the Service (all such independent content providers, "Content Providers"). Linden Lab does not pre-screen Content.

You acknowledge that Linden Lab and other Content Providers have rights in their respective Content under copyright and other applicable laws and treaty provisions, and that except as described in this Agreement, such rights are not licensed or otherwise transferred by mere use of the Service. You accept full responsibility and liability for your use of any Content in violation of any such rights. You agree that your creation of Content is not in any way based upon any expectation of compensation from Linden Lab.

1.4 Second Life "currency" is a limited license right available for purchase or free distribution at Linden Lab's discretion, and is not redeemable for monetary value from Linden Lab.

You acknowledge that the Service presently includes a component of in-world fictional currency ("Currency" or "Linden Dollars" or "L\$"), which constitutes a limited license right to use a feature of our product when, as, and if allowed by Linden Lab. Linden Lab may charge fees for the right to use Linden Dollars, or may distribute Linden Dollars without charge, in its sole discretion. Regardless of terminology used, Linden Dollars represent a limited license right governed solely under the terms of this Agreement, and are not redeemable for any sum of money or monetary value from Linden Lab at any time. You agree that Linden Lab has the absolute right to manage, regulate, control, modify and/or eliminate such Currency as it sees fit in its sole discretion, in any general or specific case, and that Linden Lab will have no liability to you based on its exercise of such right.

1.5 Second Life offers an exchange, called LindeX, for the trading of Linden Dollars, which uses the terms "buy" and "sell" to indicate the transfer of license rights to use Linden Dollars. Use and regulation of LindeX is at Linden Lab's sole discretion.

The Service currently includes a component called "Currency Exchange" or "LindeX," which refers to an aspect of the Service through which Linden Lab administers transactions among users for the purchase and sale of the licensed right to use Currency. Notwithstanding any other language or context to the contrary, as used in this Agreement and throughout the Service in the context of Currency transfer: (a) the term "sell" means "to transfer for consideration to another user the licensed right to use Currency in accordance with the Terms of Service," (b) the term "buy" means "to receive for consideration from another user the licensed right to use Currency in accordance with the Terms of Service," (c) the terms "buyer," "seller," "sale" and "purchase" and similar terms have corresponding meanings to the root terms "buy" and "sell," (d) "sell order" and similar terms mean a request from a user to Linden Lab to list Currency for sale on the Currency Exchange at a requested sale price, and (e) "buy order" and similar terms mean a request from a user for Linden Lab to match open sale listings with a requested purchase price and facilitate completion of the sale of Currency.

You agree and acknowledge that Linden Lab may deny any sell order or buy order individually or with respect to general volume or price limitations set by Linden Lab for any reason. Linden Lab may limit sellers or buyers to any group of users at any time. Linden Lab may halt, suspend, discontinue, or reverse any Currency Exchange transaction (whether proposed, pending or past) in cases of actual or suspected fraud, violations of other laws or regulations, or deliberate disruptions to or interference with the Service.

1.6 Second Life is subject to scheduled and unscheduled service interruptions. All aspects of the Service are subject to change or elimination at Linden Lab's sole discretion.

Linden Lab reserves the right to interrupt the Service with or without prior notice for any reason or no reason. You agree that Linden Lab will not be liable for any interruption of the Service, delay or failure to perform, and you understand that except as otherwise specifically provided in Linden Lab's billing policies posted at <http://secondlife.com/corporate/billing.php>, you shall not be entitled to any refunds of fees for interruption of service or failure to perform. Linden Lab has the right at any time for any reason or no reason to change and/or eliminate any aspect(s) of the Service as it sees fit in its sole discretion.

1.7 In the event you choose to use paid aspects of the Service, you agree to the posted pricing and billing policies on the Websites.

Certain aspects of the Service are provided for a fee or other charge. These fees and charges are described on the Websites, and in the event you elect to use paid aspects of the Service, you agree to the pricing, payment and billing policies applicable to such fees and charges, posted or linked at <http://secondlife.com/corporate/billing.php>. Linden Lab may add new services for additional fees and charges, or proactively amend fees and charges for existing services, at any time in its sole discretion.

ACCOUNT REGISTRATION AND REQUIREMENTS

2.1 You must establish an account to use Second Life, using true and accurate registration information.

You must establish an account with Linden Lab (your "Account") to use the Service, except for those portions of the Websites to which Linden Lab allows access without registration. You agree to provide true, accurate, current and complete information about yourself as prompted by the

registration form ("Registration Data") and maintain and promptly update the Registration Data to keep it true, accurate, current and complete. You may establish an Account with Registration Data provided to Linden Lab by a third party through the use of an API, in which case you may have a separate, additional account relationship with such third party. You authorize Linden Lab, directly or through third parties, to make any inquiries we consider necessary to validate your Registration Data. Linden Lab reserves all rights to vigorously pursue legal action against all persons who misrepresent personal information or are otherwise untruthful about their identity, and to suspend or cancel Accounts registered with inaccurate or incomplete information. Notwithstanding the foregoing, you acknowledge that Linden Lab cannot guarantee the accuracy of any information submitted by any user of the Service, nor any identity information about any user.

2.2 You must be 13 years of age or older to access Second Life; minors over the age of 13 are only permitted in a separate area, which adults are generally prohibited from using. Linden Lab cannot absolutely control whether minors or adults gain unauthorized access to the Service.

You must be at least 13 years of age to participate in the Service. Users under the age of 18 are prohibited from accessing the Service other than in the area designated by Linden Lab for use by users from 13 through 17 years of age (the "Teen Area"). Users age 18 and older are prohibited from accessing the Teen Area. Any user age 18 and older who gains unauthorized access to the Teen Area is in breach of this Agreement and may face immediate termination of any or all Accounts held by such user for any area of the Service. If you reside in a jurisdiction where the age of majority is greater than 18 years old, you are prohibited from accessing the Service until you have reached such age of majority.

By accepting this agreement in connection with an Account outside the Teen Area, you represent that you are an adult 18 years of age or older. By accepting this agreement in connection with an Account for use in the Teen Area, you represent that (i) you are at least 13 years of age and less than 18 years of age; (ii) you have read and accept this Agreement; (iii) your parent or legal guardian has consented to you having an Account for use of the Teen Area and participating in the Service, and to providing your personal information for your Account; and (iv) your parent or legal guardian has read and accepted this Agreement.

Linden Lab cannot absolutely control whether minors gain access to the Service other than the Teen Area, and makes no representation that users outside the Teen Area are not minors. Linden Lab cannot absolutely control whether adults gain access to the Teen Area of the Service, and makes no representation that users inside the Teen Area are not adults. Adult employees, contractors and partners of Linden Lab regularly conduct their work in the Teen Area. Linden Lab cannot ensure that other users or any non-employee of Linden Lab will not provide Content or access to Content that parents or guardians may find inappropriate or that any user may find objectionable.

2.3 You need to use an account name in Second Life which is not misleading, offensive or infringing. You must select and keep secure your account password.

You must choose an account name to identify yourself to Linden Lab staff (your "Account Name"), which will also serve as the name for the graphical representation of your body in the Service (such representation, an "Avatar"). You may not select as your Account Name the name of another person to the extent that could cause deception or confusion; a name which violates any trademark right, copyright, or other proprietary right; a name which may mislead other users to believe you to be an employee of Linden Lab; or a name which Linden Lab deems in its discretion to be vulgar or otherwise offensive. Linden Lab reserves the right to delete or change any Account Name for any reason or no reason. You are fully responsible for all activities conducted through your Account or under your Account Name.

At the time your Account is opened, you must select a password. You are responsible for maintaining the confidentiality of your password and are responsible for any harm resulting from your disclosure, or authorizing the disclosure of, your password or from use by any person of your password to gain access to your Account or Account Name. At no time should you respond to an online request for a password other than in connection with the log-on process to the Service. Your disclosure of your password to any other person is entirely at your own risk.

2.4 Account registrations are limited per unique person. Transfers of accounts are generally not permitted.

Linden Lab may require you to submit an indication of unique identity in

the account registration process; e.g. credit card or other payment information, or SMS message code or other information requested by Linden Lab. When an account is created, the information given for the account must match the address, phone number, and/or other unique identifier information associated with the identification method. You may register multiple accounts per identification method only at Linden Lab's sole discretion. A single account may be used by a single legal entity at Linden Lab's sole discretion and subject to Linden Lab's requirements. Additional accounts beyond the first account per unique user may be subject to fees upon account creation. You may not transfer your Account to any third party without the prior written consent of Linden Lab; notwithstanding the foregoing, Linden Lab will not unreasonably withhold consent to the transfer of an Account in good standing by operation of valid written will to a single natural person, provided that proper notice and documentation are delivered as requested by Linden Lab.

2.5 You may cancel your account at any time; however, there are no refunds for cancellation.

Accounts may be cancelled by you at any time. Upon your election to cancel, your account will be cancelled within 24 hours, but if you have paid for a period in advance you will be allowed to use the remaining time according to these Terms of Service unless your account or this Agreement is suspended or terminated based on our belief that you have violated this Agreement. There will be no refunds for any unused time on a subscription or any prepaid fees for any portion of the Service.

2.6 Linden Lab may suspend or terminate your account at any time, without refund or obligation to you.

Linden Lab has the right at any time for any reason or no reason to suspend or terminate your Account, terminate this Agreement, and/or refuse any and all current or future use of the Service without notice or liability to you. In the event that Linden Lab suspends or terminates your Account or this Agreement, you understand and agree that you shall receive no refund or exchange for any unused time on a subscription, any license or subscription fees, any content or data associated with your Account, or for anything else.

2.7 Accounts affiliated with delinquent accounts are subject to remedial actions related to the delinquent account.

In the event an Account is suspended or terminated for your breach of this Agreement or your payment delinquency (in each case as determined in Linden Lab's sole discretion), Linden Lab may suspend or terminate the Account associated with such breach and any or all other Accounts held by you or your affiliates, and your breach shall be deemed to apply to all such Accounts.

2.8 You are responsible for your own Internet access.

Linden Lab does not provide Internet access, and you are responsible for all fees associated with your Internet connection.

LICENSE TERMS AND OTHER INTELLECTUAL PROPERTY TERMS

3.1 You have a nonexclusive, limited, revocable license to use Second Life while you are in compliance with the terms of service.

Subject to the terms of this Agreement, Linden Lab grants to you a non-exclusive, limited, fully revocable license to use the Linden Software and the rest of the Service during the time you are in full compliance with the Terms of Service. Additional terms may apply to use of the APIs or other separate elements of the Service (i.e. elements that are not required to use the Viewer or the Servers); these terms are available where such separate elements are available for download from the Websites. Nothing in this Agreement, or on Linden Lab's websites, shall be construed as granting you any other rights or privileges of any kind with respect to the Service or to any Content. You acknowledge that your participation in the Service, including your creation or uploading of Content in the Service, does not make you a Linden Lab employee and that you do not expect to be, and will not be, compensated by Linden Lab for such activities.

3.2 You retain copyright and other intellectual property rights with respect to Content you create in Second Life, to the extent that you have such rights under applicable law. However, you must make certain representations and warranties, and provide certain license rights, forbearances and indemnification, to Linden Lab and to other users of Second Life.

Users of the Service can create Content on Linden Lab's servers in various forms. Linden Lab acknowledges and agrees that, subject to the terms and conditions of this Agreement, you will retain any and all applicable copyright and other intellectual property rights with respect to any Content

you create using the Service, to the extent you have such rights under applicable law.

Notwithstanding the foregoing, you understand and agree that by submitting your Content to any area of the service, you automatically grant (and you represent and warrant that you have the right to grant) to Linden Lab: (a) a royalty-free, worldwide, fully paid-up, perpetual, irrevocable, non-exclusive right and license to (i) use, reproduce and distribute your Content within the Service as permitted by you through your interactions on the Service, and (ii) use and reproduce (and to authorize third parties to use and reproduce) any of your Content in any or all media for marketing and/or promotional purposes in connection with the Service, provided that in the event that your Content appears publicly in material under the control of Linden Lab, and you provide written notice to Linden Lab of your desire to discontinue the distribution of such Content in such material (with sufficient specificity to allow Linden Lab, in its sole discretion, to identify the relevant Content and materials), Linden Lab will make commercially reasonable efforts to cease its distribution of such Content following the receipt of such notice, although Linden Lab cannot provide any assurances regarding materials produced or distributed prior to the receipt of such notice; (b) the perpetual and irrevocable right to delete any or all of your Content from Linden Lab's servers and from the Service, whether intentionally or unintentionally, and for any reason or no reason, without any liability of any kind to you or any other party; and (c) a royalty-free, fully paid-up, perpetual, irrevocable, non-exclusive right and license to copy, analyze and use any of your Content as Linden Lab may deem necessary or desirable for purposes of debugging, testing and/or providing support services in connection with the Service. Further, you agree to grant to Linden Lab a royalty-free, worldwide, fully paid-up, perpetual, irrevocable, non-exclusive, sublicensable right and license to exercise the copyright, publicity, and database rights you have in your account information, including any data or other information generated by your account activity, in any media now known or not currently known, in accordance with our privacy policy as set forth below, including the incorporation by reference of terms posted at <http://secondlife.com/corporate/privacy.php>.

You also understand and agree that by submitting your Content to any area of the Service, you automatically grant (or you warrant that the owner of such Content has expressly granted) to Linden Lab and to all other users of the Service a non-exclusive, worldwide, fully paid-up, transferable, irrevocable, royalty-free and perpetual License, under any and all patent rights you may have or obtain with respect to your Content, to use your Content for all purposes within the Service. You further agree that you will not make any claims against Linden Lab or against other users of the Service based on any allegations that any activities by either of the foregoing within the Service infringe your (or anyone else's) patent rights.

You further understand and agree that: (i) you are solely responsible for understanding all copyright, patent, trademark, trade secret and other intellectual property or other laws that may apply to your Content hereunder; (ii) you are solely responsible for, and Linden Lab will have no liability in connection with, the legal consequences of any actions or failures to act on your part while using the Service, including without limitation any legal consequences relating to your intellectual property rights; and (iii) Linden Lab's acknowledgement hereunder of your intellectual property rights in your Content does not constitute a legal opinion or legal advice, but is intended solely as an expression of Linden Lab's intention not to require users of the Service to forego certain intellectual property rights with respect to Content they create using the Service, subject to the terms of this Agreement.

3.3 Linden Lab retains ownership of the account and related data, regardless of intellectual property rights you may have in content you create or otherwise own.

You agree that even though you may retain certain copyright or other intellectual property rights with respect to Content you create while using the Service, you do not own the account you use to access the Service, nor do you own any data Linden Lab stores on Linden Lab servers (including without limitation any data representing or embodying any or all of your Content). Your intellectual property rights do not confer any rights of access to the Service or any rights to data stored by or on behalf of Linden Lab.

3.4 Linden Lab licenses its textures and environmental content to you for your use in creating content in-world.

During any period in which your Account is active and in good standing, Linden Lab gives you permission to create still and/or moving media, for use only within the virtual world environment of the Service ("in-world"), which use or include the "textures" and/or "environmental content" that

are both (a) created or owned by Linden Lab and (b) displayed by Linden Lab in-world.

4.1 You agree to abide by certain rules of conduct, including the Community Standards and other rules prohibiting illegal and other practices that Linden Lab deems harmful.

You agree to read and comply with the Community Standards posted on the Websites, (for users 18 years of age and older, at <http://secondlife.com/corporate/cs.php>; and for users of the Teen Area, at <http://teen.secondlife.com/footer/cs>

In addition to abiding at all times by the Community Standards, you agree that you shall not: (i) take any action or upload, post, e-mail or otherwise transmit Content that infringes or violates any third party rights; (ii) impersonate any person or entity without their consent, including, but not limited to, a Linden Lab employee, or falsely state or otherwise misrepresent your affiliation with a person or entity; (iii) take any action or upload, post, e-mail or otherwise transmit Content that violates any law or regulation; (iv) take any action or upload, post, e-mail or otherwise transmit Content as determined by Linden Lab at its sole discretion that is harmful, threatening, abusive, harassing, causes tort, defamatory, vulgar, obscene, libelous, invasive of another's privacy, hateful, or racially, ethnically or otherwise objectionable; (v) take any actions or upload, post, e-mail or otherwise transmit Content that contains any viruses, Trojan horses, worms, spyware, time bombs, cancelbots or other computer programming routines that are intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or personal information; (vi) take any action or upload, post, email or otherwise transmit any Content that would violate any right or duty under any law or under contractual or fiduciary relationships (such as inside information, proprietary and confidential information learned or disclosed as part of employment relationships or under nondisclosure agreements); (vii) upload, post, email or otherwise transmit any unsolicited or unauthorized advertising, or promotional materials, that are in the nature of "junk mail," "spam," "chain letters," "pyramid schemes," or any other form of solicitation that Linden Lab considers in its sole discretion to be of such nature; (viii) interfere with or disrupt the Service or servers or networks connected to the Service, or disobey any requirements, procedures, policies or regulations of networks connected to the Service; (ix) attempt to gain access to any other user's Account or password; or (x) "stalk", abuse or attempt to abuse, or otherwise harass another user. Any violation by you of the terms of the foregoing sentence may result in immediate and permanent suspension or cancellation of your Account. You agree that Linden Lab may take whatever steps it deems necessary to abridge, or prevent behavior of any sort on the Service in its sole discretion, without notice to you.

4.2 You agree to use Second Life as provided, without unauthorized software or other means of access or use. You will not make unauthorized works from or conduct unauthorized distribution of the Linden Software.

Linden Lab has designed the Service to be experienced only as offered by Linden Lab at the Websites or partner websites. Linden Lab is not responsible for any aspect of the Service that is accessed or experienced using software or other means that are not provided by Linden Lab. You agree not to create or provide any server emulators or other software or other means that provide access to or use of the Servers without the express written authorization of Linden Lab. Notwithstanding the foregoing, you may use and create software that provides access to the Servers for substantially similar function (or subset thereof) as the Viewer; provided that such software is not used for and does not enable any violation of these Terms of Service. Linden Lab is not obligated to allow access to the Servers by any software that is not provided by Linden Lab, and you agree to cease using, creating, distributing or providing any such software at the request of Linden Lab. You are prohibited from taking any action that imposes an unreasonable or disproportionately large load on Linden Lab's infrastructure.

You may not charge any third party for using the Linden Software to access and/or use the Service, and you may not modify, adapt, reverse engineer (except as otherwise permitted by applicable law), decompile or attempt to discover the source code of the Linden Software, or create any derivative works of the Linden Software or the Service, or otherwise use the Linden Software except as expressly provided in this Agreement. You may not copy or distribute any of the written materials associated with the Service. Notwithstanding the foregoing, you may copy the Viewer that Linden Lab provides to you, for backup purposes and may give copies of the Viewer to others free of charge. Further, you may use and modify the source code for

the Viewer as permitted by any open source license agreement under which Linden Lab distributes such Viewer source code.

4.3 You will comply with the processes of the Digital Millennium Copyright Act regarding copyright infringement claims covered under such Act.

Our policy is to respond to notices of alleged infringement that comply with the Digital Millennium Copyright Act ("DMCA"). Copyright-infringing materials found within the world of Second Life can be identified and removed via Linden Lab's DMCA compliance process listed at <http://secondlife.com/corporate/dmca.php>, and you agree to comply with such process in the event you are involved in any claim of copyright infringement to which the DMCA may be applicable.

4.4 You will not use the marks of Linden Lab without authorization from Linden Lab.

LINDEN LAB DOES NOT PROVIDE OR GUARANTEE, AND EXPRESSLY DISCLAIMS (SUBJECT TO ANY UNDERLYING INTELLECTUAL PROPERTY RIGHTS IN THE CONTENT), ANY VALUE, CASH OR OTHERWISE, ATTRIBUTED TO ANY DATA RESIDING ON LINDEN LAB'S SERVERS.

YOU UNDERSTAND AND AGREE THAT LINDEN LAB HAS THE RIGHT, BUT NOT THE OBLIGATION, TO REMOVE ANY CONTENT (INCLUDING YOUR CONTENT) IN WHOLE OR IN PART AT ANY TIME FOR ANY REASON OR NO REASON, WITH OR WITHOUT NOTICE AND WITH NO LIABILITY OF ANY KIND.

5.4 Linden Lab provides the Service on an "as is" basis, without express or implied warranties.

LINDEN LAB PROVIDES THE SERVICE, THE LINDEN SOFTWARE, YOUR ACCOUNT AND ALL OTHER SERVICES STRICTLY ON AN "AS IS" BASIS, PROVIDED AT YOUR OWN RISK, AND HEREBY EXPRESSLY DISCLAIMS ALL WARRANTIES OR CONDITIONS OF ANY KIND, WRITTEN OR ORAL, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF TITLE, NONINFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Without limiting the foregoing, Linden Lab does not ensure continuous, error-free, secure or virus-free operation of the Service, the Linden Software or your Account, and you understand that you shall not be entitled to refunds for fees based on Linden Lab's failure to provide any of the foregoing other than as explicitly provided in this Agreement. Some jurisdictions do not allow the disclaimer of implied warranties, and to that extent, the foregoing disclaimer may not apply to you.

5.5 Linden Lab's liability to you is expressly limited, to the extent allowable under applicable law.

IN NO EVENT SHALL LINDEN LAB OR ANY OF ITS SHAREHOLDERS, PARTNERS, AFFILIATES, DIRECTORS, OFFICERS, SUBSIDIARIES, EMPLOYEES, AGENTS, SUPPLIERS, LICENSEES OR DISTRIBUTORS BE LIABLE TO YOU OR TO ANY THIRD PARTY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION ANY DAMAGES FOR LOST PROFITS, ARISING (WHETHER IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE) OUT OF OR IN CONNECTION WITH THE SERVICE (INCLUDING ITS MODIFICATION OR TERMINATION), THE LINDEN SOFTWARE, YOUR ACCOUNT (INCLUDING ITS TERMINATION OR SUSPENSION) OR THIS AGREEMENT, WHETHER OR NOT LINDEN LAB MAY HAVE BEEN ADVISED THAT ANY SUCH DAMAGES MIGHT OR COULD OCCUR AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY. IN ADDITION, IN NO EVENT WILL LINDEN LAB'S CUMULATIVE LIABILITY TO YOU FOR DIRECT DAMAGES OF ANY KIND OR NATURE EXCEED FIFTY DOLLARS (U.S. \$50.00). Some jurisdictions do not allow the foregoing limitations of liability, so to the extent that any such limitation is impermissible, such limitation may not apply to you. You agree that Linden Lab cannot be held responsible or liable for anything that occurs or results from accessing or subscribing to the Service.

DISPUTE RESOLUTION

If a dispute arises between you and Linden Lab, our goal is to provide you with a neutral and cost-effective means of resolving the dispute quickly. Accordingly, you and Linden Lab agree to resolve any claim or controversy at law or in equity that arises from or relates to this Agreement or our Service (a "Claim") in accordance with one of the subsections below.

7.1 Governing Law. This Agreement and the relationship between you and Linden Lab shall be governed in all respects by the laws of the State of California without regard to conflict of law principles or the United Nations Convention on the International Sale of Goods.

7.2 Forum for Disputes. You and Linden Lab agree to submit to the exclusive jurisdiction and venue of the courts located in the City and County of San Francisco, California, except as provided in Subsection 7.3 below regarding optional arbitration. Notwithstanding this, you agree that Linden Lab shall still be allowed to apply for injunctive or other equitable relief in any court of competent jurisdiction.

7.3 Optional Arbitration. For any Claim, excluding Claims for injunctive or other equitable relief, where the total amount of the award sought is less than ten thousand U.S. Dollars (\$10,000.00 USD), the party requesting relief may elect to resolve the Claim in a cost-effective manner through binding non-appearance-based arbitration. A party electing arbitration shall initiate it through an established alternative dispute resolution ("ADR") provider mutually agreed upon by the parties. The ADR provider and the parties must comply with the following rules: (a) the arbitration shall be conducted, at the option of the party seeking relief, by telephone, online, or based solely on written submissions; (b) the arbitration shall not involve any personal appearance by the parties or witnesses unless otherwise mutually agreed by the parties; and (c) any judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

7.4 Improperly Filed Claims. All Claims you bring against Linden Lab must be resolved in accordance with this Dispute Resolution Section. All Claims filed or brought contrary to this Dispute Resolution Section shall be considered improperly filed. Should you file a Claim contrary to this Dispute Resolution Section, Linden Lab may recover attorneys' fees and costs up to one thousand U.S. Dollars (\$1,000.00 USD), provided that Linden Lab has notified you in writing of the improperly filed Claim, and you have failed to promptly withdraw the Claim.

GENERAL PROVISIONS

The Service is controlled and operated by Linden Lab from its offices within the State of California, United States of America. Linden Lab makes no representation that any aspect of the Service is appropriate or available for use in jurisdictions outside of the United States. Those who choose to access the Service from other locations are responsible for compliance with applicable local laws. The Linden Software is subject to all applicable export restrictions. You must comply with all export and import laws and restrictions and regulations of any United States or foreign agency or authority relating to the Linden Software and its use.

Linden Lab's failure to act with respect to a breach by you or others does not waive Linden Lab's right to act with respect to that breach or subsequent or similar breaches. No consent or waiver by Linden Lab under this Agreement shall be deemed effective unless delivered in a writing signed by a duly appointed officer of Linden Lab. All or any of Linden Lab's rights and obligations under this Agreement may be assigned to a subsequent owner or operator of the Service in a merger, acquisition or sale of all or substantially all of Linden Lab's assets. You may not assign or transfer this Agreement or any or all of your rights hereunder without the prior written consent of Linden Lab, and any attempt to do so is void. Notwithstanding anything else in this Agreement, no default, delay or failure to perform on the part of Linden Lab shall be considered a breach of this Agreement if such default, delay or failure to perform is shown to be due to causes beyond the reasonable control of Linden Lab.

This Agreement sets forth the entire understanding and agreement between you and Linden Lab with respect to the subject matter hereof. The section headings used herein, including descriptive summary sentences at the start of each section, are for convenience only and shall not affect the interpretation of this Agreement. If any provision of this Agreement shall be held by a court of competent jurisdiction to be unlawful, void, or for any reason unenforceable, then in such jurisdiction that provision shall be deemed severable from these terms and shall not affect the validity and enforceability of the remaining provisions.

EXHIBIT F

Terms of Service

Welcome to Second Life! The following agreement (this "Agreement" or the "Terms of Service") describes the terms on which Linden Research, Inc. ("Linden Lab") offers you access to its services. This offer is conditioned on your agreement to all of the terms and conditions contained in the Terms of Service, including your compliance with the policies and terms linked to (by way of the provided URLs) from this Agreement. By using Second Life, you agree to these Terms of Service. If you do not so agree, you should decline this agreement, in which case you are prohibited from accessing or using Second Life. Linden Lab may amend this Agreement at any time in its sole discretion, effective upon posting the amended Agreement at the domain or subdomains of <http://secondlife.com> where the prior version of this Agreement was posted, or by communicating these changes through any written contact method we have established with you.

THE SERVICES AND CONTENT OF SECOND LIFE

1.1 Basic description of the service: Second Life, a multi-user environment, including software and websites.

"Second Life" is the multi-user online service offered by Linden Lab, including the software provided to you by Linden Lab (collectively, the "Linden Software") and the online environments that support the service, including without limitation: the server computation, software access, messaging and protocols that simulate the Second Life environment (the "Servers"), the software that is provided by Linden Lab and installed on the local computer or other device you use to access the Servers and thereby view or otherwise access the Second Life environment (the "Viewer"), application program interfaces provided by Linden Lab to you for use with Second Life (the "APIs"), and access to the websites and services available from the domain and subdomains of <http://secondlife.com> (the "Websites"). The Servers, Viewer, APIs, Websites and any other Linden Software collectively constitute the "Service" as used in this Agreement.

1.2 Linden Lab is a service provider, which means, among other things, that Linden Lab does not control various aspects of the Service.

You acknowledge that Linden Lab is a service provider that may allow people to interact online regarding topics and content chosen by users of the service, and that users can alter the service environment on a real-time basis. Linden Lab generally does not regulate the content of communications between users or users' interactions with the Service. As a result, Linden Lab has very limited control, if any, over the quality, safety, morality, legality, truthfulness or accuracy of various aspects of the Service.

1.3 Content available in the Service may be provided by users of the Service, rather than by Linden Lab. Linden Lab and other parties have rights in their respective content, which you agree to respect.

You acknowledge that: (i) by using the Service you may have access to graphics, sound effects, music, video, audio, computer programs, animation, text and other creative output (collectively, "Content"), and (ii) Content may be provided under license by independent content providers, including contributions from other users of the Service (all such independent content providers, "Content Providers"). Linden Lab does not pre-screen Content.

You acknowledge that Linden Lab and other Content Providers have rights in their respective Content under copyright and other applicable laws and treaty provisions, and that except as described in this Agreement, such rights are not licensed or otherwise transferred by mere use of the Service. You accept full responsibility and liability for your use of any Content in violation of any such rights. You agree that your creation of Content is not in any way based upon any expectation of compensation from Linden Lab.

Certain of the fonts in the Meta family of copyrighted typefaces are used in Second Life under license from FSI FontShop International. 1.4 Second Life "currency" is a limited license right available for purchase or free distribution at Linden Lab's discretion, and is not redeemable for monetary value from Linden Lab.

You acknowledge that the Service presently includes a component of in-world fictional currency ("Currency" or "Linden Dollars" or "L\$"), which constitutes a limited license right to use a feature of our product when, as, and if allowed by Linden Lab. Linden Lab may charge fees for the right to use Linden Dollars, or may distribute Linden Dollars without charge, in its sole discretion. Regardless of terminology used, Linden Dollars represent a limited license right governed solely under the terms of this Agreement, and are not redeemable for any sum of money or monetary value from Linden Lab at any time. You agree that Linden Lab has the absolute right to manage, regulate, control, modify and/or eliminate such Currency as it sees fit in its sole discretion, in any general or specific case, and that Linden Lab will have no liability to you based on its exercise of such right.

1.5 Second Life offers an exchange, called LindeX, for the trading of Linden Dollars, which uses the terms "buy" and "sell" to indicate the transfer of license rights to use Linden Dollars. Use and regulation of LindeX is at Linden Lab's sole discretion.

The Service currently includes a component called "Currency Exchange" or "LindeX," which refers to an aspect of the Service through which Linden Lab administers transactions among users for the purchase and sale of the licensed right to use Currency. Notwithstanding any other language or context to the contrary, as used in this Agreement and throughout the Service in the context of Currency transfer: (a) the term "sell" means "to transfer for consideration to another user the licensed right to use Currency in accordance with the Terms of Service," (b) the term "buy" means "to receive for consideration from another user the licensed right to use Currency in accordance with the Terms of Service," (c) the terms "buyer," "seller," "sale" and "purchase" and similar terms have corresponding meanings to the root terms "buy" and "sell," (d) "sell order" and similar terms mean a request from a user to Linden Lab to list Currency for sale on the Currency Exchange at a requested sale price, and (e) "buy order" and similar terms mean a request from a user for Linden Lab to match open sale listings with a requested purchase price and facilitate completion of the sale of Currency.

You agree and acknowledge that Linden Lab may deny any sell order or buy order individually or with respect to general volume or price limitations set by Linden Lab for any reason. Linden Lab may limit sellers or buyers to any group of users at any time. Linden Lab may halt, suspend, discontinue, or reverse any Currency Exchange transaction (whether proposed, pending or past) in cases of actual or suspected fraud, violations of other laws or regulations, or deliberate disruptions to or interference with the Service.

1.6 Second Life is subject to scheduled and unscheduled service interruptions. All aspects of the Service are subject to change or elimination at Linden Lab's sole discretion.

Linden Lab reserves the right to interrupt the Service with or without prior notice for any reason or no reason. You agree that Linden Lab will not be liable for any interruption of the Service, delay or failure to perform, and you understand that except as otherwise specifically provided in Linden Lab's billing policies posted at <http://secondlife.com/corporate/billing.php>, you shall not be entitled to any refunds of fees for interruption of service or failure to perform. Linden Lab has the right at any time for any reason or no reason to change and/or eliminate any aspect(s) of the Service as it sees fit in its sole discretion.

1.7 In the event you choose to use paid aspects of the Service, you agree to the posted pricing and billing policies on the Websites.

Certain aspects of the Service are provided for a fee or other charge. These fees and charges are described on the Websites, and in the event you elect to use paid aspects of the Service, you agree to the pricing, payment and billing policies applicable to such fees and charges, posted or linked at <http://secondlife.com/corporate/billing.php>. Linden Lab may add new services for additional fees and charges, or proactively amend fees and charges for existing services, at any time in its sole discretion.

ACCOUNT REGISTRATION AND REQUIREMENTS

2.1 You must establish an account to use Second Life, using true and accurate registration information.

You must establish an account with Linden Lab (your "Account") to use the Service, except for those portions of the Websites to which Linden Lab allows access without registration. You agree to provide true, accurate, current and complete information about yourself as prompted by the

registration form ("Registration Data") and maintain and promptly update the Registration Data to keep it true, accurate, current and complete. You may establish an Account with Registration Data provided to Linden Lab by a third party through the use of an API, in which case you may have a separate, additional account relationship with such third party. You authorize Linden Lab, directly or through third parties, to make any inquiries we consider necessary to validate your Registration Data. Linden Lab reserves all rights to vigorously pursue legal action against all persons who misrepresent personal information or are otherwise untruthful about their identity, and to suspend or cancel Accounts registered with inaccurate or incomplete information. Notwithstanding the foregoing, you acknowledge that Linden Lab cannot guarantee the accuracy of any information submitted by any user of the Service, nor any identity information about any user.

2.2 You must be 13 years of age or older to access Second Life; minors over the age of 13 are only permitted in a separate area, which adults are generally prohibited from using. Linden Lab cannot absolutely control whether minors or adults gain unauthorized access to the Service.

You must be at least 13 years of age to participate in the Service. Users under the age of 18 are prohibited from accessing the Service other than in the area designated by Linden Lab for use by users from 13 through 17 years of age (the "Teen Area"). Users age 18 and older are prohibited from accessing the Teen Area. Any user age 18 and older who gains unauthorized access to the Teen Area is in breach of this Agreement and may face immediate termination of any or all Accounts held by such user for any area of the Service. If you reside in a jurisdiction where the age of majority is greater than 18 years old, you are prohibited from accessing the Service until you have reached such age of majority.

By accepting this agreement in connection with an Account outside the Teen Area, you represent that you are an adult 18 years of age or older. By accepting this agreement in connection with an Account for use in the Teen Area, you represent that (i) you are at least 13 years of age and less than 18 years of age; (ii) you have read and accept this Agreement; (iii) your parent or legal guardian has consented to you having an Account for use of the Teen Area and participating in the Service, and to providing your personal information for your Account; and (iv) your parent or legal guardian has read and accepted this Agreement.

Linden Lab cannot absolutely control whether minors gain access to the Service other than the Teen Area, and makes no representation that users outside the Teen Area are not minors. Linden Lab cannot absolutely control whether adults gain access to the Teen Area of the Service, and makes no representation that users inside the Teen Area are not adults. Adult employees, contractors and partners of Linden Lab regularly conduct their work in the Teen Area. Linden Lab cannot ensure that other users or any non-employee of Linden Lab will not provide Content or access to Content that parents or guardians may find inappropriate or that any user may find objectionable.

2.3 You need to use an account name in Second Life which is not misleading, offensive or infringing. You must select and keep secure your account password.

You must choose an account name to identify yourself to Linden Lab staff (your "Account Name"), which will also serve as the name for the graphical representation of your body in the Service (such representation, an "Avatar"). You may not select as your Account Name the name of another person to the extent that could cause deception or confusion; a name which violates any trademark right, copyright, or other proprietary right; a name which may mislead other users to believe you to be an employee of Linden Lab; or a name which Linden Lab deems in its discretion to be vulgar or otherwise offensive. Linden Lab reserves the right to delete or change any Account Name for any reason or no reason. You are fully responsible for all activities conducted through your Account or under your Account Name.

At the time your Account is opened, you must select a password. You are responsible for maintaining the confidentiality of your password and are responsible for any harm resulting from your disclosure, or authorizing the disclosure of, your password or from use by any person of your password to gain access to your Account or Account Name. At no time should you respond to an online request for a password other than in connection with the log-on process to the Service. Your disclosure of your password to any other person is entirely at your own risk.

2.4 Account registrations are limited per unique person. Transfers of accounts are generally not permitted.

Linden Lab may require you to submit an indication of unique identity in

the account registration process; e.g. credit card or other payment information, or SMS message code or other information requested by Linden Lab. When an account is created, the information given for the account must match the address, phone number, and/or other unique identifier information associated with the identification method. You may register multiple accounts per identification method only at Linden Lab's sole discretion. A single account may be used by a single legal entity at Linden Lab's sole discretion and subject to Linden Lab's requirements. Additional accounts beyond the first account per unique user may be subject to fees upon account creation. You may not transfer your Account to any third party without the prior written consent of Linden Lab; notwithstanding the foregoing, Linden Lab will not unreasonably withhold consent to the transfer of an Account in good standing by operation of valid written will to a single natural person, provided that proper notice and documentation are delivered as requested by Linden Lab.

2.5 You may cancel your account at any time; however, there are no refunds for cancellation.

Accounts may be cancelled by you at any time. Upon your election to cancel, your account will be cancelled within 24 hours, but if you have paid for a period in advance you will be allowed to use the remaining time according to these Terms of Service unless your account or this Agreement is suspended or terminated based on our belief that you have violated this Agreement. There will be no refunds for any unused time on a subscription or any prepaid fees for any portion of the Service.

2.6 Linden Lab may suspend or terminate your account at any time, without refund or obligation to you.

Linden Lab has the right at any time for any reason or no reason to suspend or terminate your Account, terminate this Agreement, and/or refuse any and all current or future use of the Service without notice or liability to you. In the event that Linden Lab suspends or terminates your Account or this Agreement, you understand and agree that you shall receive no refund or exchange for any unused time on a subscription, any license or subscription fees, any content or data associated with your Account, or for anything else.

2.7 Accounts affiliated with delinquent accounts are subject to remedial actions related to the delinquent account.

In the event an Account is suspended or terminated for your breach of this Agreement or your payment delinquency (in each case as determined in Linden Lab's sole discretion), Linden Lab may suspend or terminate the Account associated with such breach and any or all other Accounts held by you or your affiliates, and your breach shall be deemed to apply to all such Accounts.

2.8 You are responsible for your own Internet access.

Linden Lab does not provide Internet access, and you are responsible for all fees associated with your Internet connection.

LICENSE TERMS AND OTHER INTELLECTUAL PROPERTY TERMS

3.1 You have a nonexclusive, limited, revocable license to use Second Life while you are in compliance with the terms of service.

Subject to the terms of this Agreement, Linden Lab grants to you a non-exclusive, limited, fully revocable license to use the Linden Software and the rest of the Service during the time you are in full compliance with the Terms of Service. Additional terms may apply to use of the APIs or other separate elements of the Service (i.e. elements that are not required to use the Viewer or the Servers); these terms are available where such separate elements are available for download from the Websites. Nothing in this Agreement, or on Linden Lab's websites, shall be construed as granting you any other rights or privileges of any kind with respect to the Service or to any Content. You acknowledge that your participation in the Service, including your creation or uploading of Content in the Service, does not make you a Linden Lab employee and that you do not expect to be, and will not be, compensated by Linden Lab for such activities.

3.2 You retain copyright and other intellectual property rights with respect to Content you create in Second Life, to the extent that you have such rights under applicable law. However, you must make certain representations and warranties, and provide certain license rights, forbearances and indemnification, to Linden Lab and to other users of Second Life.

Users of the Service can create Content on Linden Lab's servers in various forms. Linden Lab acknowledges and agrees that, subject to the terms and conditions of this Agreement, you will retain any and all applicable copyright and other intellectual property rights with respect to any Content

you create using the Service, to the extent you have such rights under applicable law.

Notwithstanding the foregoing, you understand and agree that by submitting your Content to any area of the service, you automatically grant (and you represent and warrant that you have the right to grant) to Linden Lab: (a) a royalty-free, worldwide, fully paid-up, perpetual, irrevocable, non-exclusive right and license to (i) use, reproduce and distribute your Content within the Service as permitted by you through your interactions on the Service, and (ii) use and reproduce (and to authorize third parties to use and reproduce) any of your Content in any or all media for marketing and/or promotional purposes in connection with the Service, provided that in the event that your Content appears publicly in material under the control of Linden Lab, and you provide written notice to Linden Lab of your desire to discontinue the distribution of such Content in such material (with sufficient specificity to allow Linden Lab, in its sole discretion, to identify the relevant Content and materials), Linden Lab will make commercially reasonable efforts to cease its distribution of such Content following the receipt of such notice, although Linden Lab cannot provide any assurances regarding materials produced or distributed prior to the receipt of such notice; (b) the perpetual and irrevocable right to delete any or all of your Content from Linden Lab's servers and from the Service, whether intentionally or unintentionally, and for any reason or no reason, without any liability of any kind to you or any other party; and (c) a royalty-free, fully paid-up, perpetual, irrevocable, non-exclusive right and license to copy, analyze and use any of your Content as Linden Lab may deem necessary or desirable for purposes of debugging, testing and/or providing support services in connection with the Service. Further, you agree to grant to Linden Lab a royalty-free, worldwide, fully paid-up, perpetual, irrevocable, non-exclusive, sublicensable right and license to exercise the copyright, publicity, and database rights you have in your account information, including any data or other information generated by your account activity, in any media now known or not currently known, in accordance with our privacy policy as set forth below, including the incorporation by reference of terms posted at <http://secondlife.com/corporate/privacy.php>.

You also understand and agree that by submitting your Content to any area of the Service, you automatically grant (or you warrant that the owner of such Content has expressly granted) to Linden Lab and to all other users of the Service a non-exclusive, worldwide, fully paid-up, transferable, irrevocable, royalty-free and perpetual license, under any and all patent rights you may have or obtain with respect to your Content, to use your Content for all purposes within the Service. You further agree that you will not make any claims against Linden Lab or against other users of the Service based on any allegations that any activities by either of the foregoing within the Service infringe your (or anyone else's) patent rights.

If a dispute arises between you and Linden Lab, our goal is to provide you with a neutral and cost-effective means of resolving the dispute quickly. Accordingly, you and Linden Lab agree to resolve any claim or controversy at law or in equity that arises from or relates to this Agreement or our Service (a "Claim") in accordance with one of the subsections below.

7.1 Governing Law. This Agreement and the relationship between you and Linden Lab shall be governed in all respects by the laws of the State of California without regard to conflict of law principles or the United Nations Convention on the International Sale of Goods.

7.2 Forum for Disputes. What is abuse?

Abuse happens when anyone violates the Terms of Service (<http://secondlife.com/corporate/tos.php>) (ToS) or the Community Standards (<http://secondlife.com/corporate/cs.php>) (CS). Every Resident agrees to abide by these rules upon joining Second Life. Some special areas, like Discovery Island and the Infohubs have additional restrictions, called the Welcome Area Guidelines.

When should you file an abuse report?

Whenever you see one of these rules being broken and you believe it to be intentional or malicious, everyone present at the scene should file an abuse report. The abuse-reporting system exists to make your Second Life more pleasant and satisfying. If there are multiple incidents, file multiple reports.

We encourage you to file reports on abuse you see happening anywhere in addition to abuse that targets you personally. Not every Resident is aware of the abuse reporting mechanisms, or remembers to use them in times of trouble, so help out your fellow Residents! Reports from multiple people show the RESI (Resident Experience Support Inworld) Team that an incident affected more people than a single report would. If twenty Residents are affected, we should receive at least twenty abuse reports from twenty different Residents, which can corroborate evidence.

What happens when an abuse report is filed?

Abuse reports go to the RESI Team, and you receive an automated response by email. If you need to add more information after submitting a report, please submit a new report.

RESI Team can access logged information inside Second Life, and review what Residents said or did at the time the report was filed. They then decide on an appropriate response; often, all it takes is an official warning to curtail an issue. If a serious abuse issue occurs, the RESI Team may issue account suspensions or permanent bans. The disciplinary record of the Resident who was reported is reviewed in all cases to determine an appropriate response. The length of a suspension is determined by the nature of abuse, previous violations, and how many people were affected.

Note: Since the creation of this video tutorial, in Second Life® Viewer 1.21, we introduced an expanded, more intuitive menu of abuse report categories.

There are several ways to reach the abuse reporting tool, each of them convenient for its purpose:

- From anywhere, go to **Help > Report Abuse** from the menus at the top of your Viewer window.
- To directly report another avatar, right-click the avatar and select **Report** from the pie menu.
- To directly report an object, right-click the object and select **More > More > Report** from the pie menu.

All of these take a snapshot of what's onscreen at that moment, and in the cases of reporting an avatar and object directly, relevant identifying info is pre-filled in the Abuse Report window's text fields.

After you've reported a person or object, the Abuse Report window appears, presenting you with a number of options:

1. If the snapshot helps clarify the issue, check **Include Screenshot** to show what you see. Screenshots can be very helpful visual evidence; include them whenever appropriate.
2. If the problem is about an avatar or object and you didn't report it directly, click the button showing a cursor on a box, then click the offending avatar or object. Its information is then auto-filled into the report.
3. Click **Select category** and choose a category. If you don't see a category for the particular incident you are reporting, use **Select Category > Other** and explain in the **Details** field.
4. Fill in the **Location of Abuse** field. If there are multiple locations, add them in the **Details** field.
5. In the **Summary** field, write a concise, one line summary, much like an email subject line. Be brief yet precise: "Bob Avatar's a jerk" isn't useful, while "Bob Avatar is firing weapons and swearing in a Welcome Area" is *much* better.
6. Use the **Details** field to give us as much useful information as possible to help RESI Team assess the incident.
