<sup>1</sup> On December 9, 2016, Petitioner's sentence of life imprisonment without the possibility of parole was vacated pursuant to *Miller v. Alabama*, 567 U.S. 460 (2012) and Petitioner was re-sentenced to a term of 30 years to life in prison. Petitioner was subsequently granted parole and released from prison. While Petitioner's *Miller* claim in the instant petition was rendered moot by his re-sentencing, Petitioner presented other claims in his *habeas* petition which were reviewed by Judge Caracappa in her Report and Recommendation. Unfortunately, the Clerk's Office has been unable to send Petitioner a copy of the Report and Recommendation as Petitioner failed to update his address upon release from prison. Recognizing Petitioner's unique circumstances, my chambers made diligent efforts to ascertain his current address to no avail.
