**ORDER**

For reasons explained in my Memorandum filed today, it is this 9<sup>th</sup> day of April, 2018

**ORDERED**

1. Plaintiffs are awarded \$134,572.50 in attorney's fees for work done up until the filing of their brief in opposition to the Defendants' objections to their request for an award of attorneys' fees, together with \$6,009.95 in costs.

2. The parties, through counsel, will meet and confer promptly on the \$16,578.00 in fees claimed by Plaintiff for the preparation of their brief in opposition to Defendants' objection to the award of attorneys' fees.

3. I will hold a status conference by telephone call with the attorneys on Thursday, April 12, 2018 at 2 p.m. If the remaining dispute is not resolved at that time, I will conduct a hearing at a time and date to be determined for the purpose of addressing any objections the Defendants have to the additional fees and costs requested by Plaintiffs. I will set a briefing schedule at the time of the status call.

4. Plaintiff will be limited to a maximum of \$15,000 in additional fees for services rendered in connection with conference with counsel, status call with the court, and hearing, if a hearing is set.
