Re: Reisinger v. City of Wilkes-Barre, et. al.
3:09-cv-210

Dear Don:

I am sending this letter to you in regard to the above-captioned case. I know that in the above regard that there are scheduled depositions for tomorrow and Friday, June 2, 2010. However, I found out about an hour and a half ago that my youngest son, Kurt, passed away yesterday morning in New York City.

As a consequence, I am going to be in the process now of making arrangements for his funeral, and therefore, I will not able to participate in any depositions this week or next week. Further, I am the only family member locally, and therefore, beyond his funeral, there are many other matters that I will now have to address at this time in the above regard.

As a consequence, please cancel all scheduled depositions, in reference to the above, until I contact you after I have returned to my office, and have assumed my normal practice schedule, which will only occur after I have completed taking care of all of the matters related to Kurt passing.

Very truly yours,

Joseph R. Reisinger, Esq.
