ORDER

The plaintiff, again requests an enlargement of time to respond to the defendants' motion for summary judgment. The court notes that in its last order, (Doc. No. 52), it specifically indicated that no further extensions would be granted. This case will shortly be three years old and has been delayed multiple times by the actions, and inactions, of the plaintiff. The motion for an additional 7 days to file a brief in opposition is **DENIED**. The plaintiff may file an untimely brief by Friday, June 25, 2010. The court may in its discretion consider, or not consider, the arguments raised in this untimely filing as it deems appropriate.
