ORDER

For the reasons discussed at the Status Conference held in the above-captioned matter on this date, and after thorough review of the above-captioned consolidated action pending in this Court, the Court concludes that the cases consolidated by Order of October 22, 2010, (see, e.g., Civ. A. No. 3:09-CV-210 Doc. 69 consolidating Civil Action Nos. 3:09-CV-210, 3:10-CV-2005, 3:10-CV-2007, and 3:10-CV-2111) should be severed as follows:

1. The case originally docketed at 3:09-CV-210 filed on February 2, 2010, should not be considered with the other actions consolidated by Order of October 22, 2010, and will be considered separately under docket number 3:09-CV-210;
2. The cases originally docketed at 3:10-CV-2005, 3:10-CV-2007, and 3:10-CV-2111 are consolidated into 3:10-CV-2005.
