Relax I'm taking a break.

SEND CONFIDENTIAL LEADS AND TIPS TO: theyorkvillecrusader@gmail.com

All you members of the "new" Skook GOP can relax. I'm going to take a little vacation from blogging.

However, that doesn't mean I'm not keeping an eye on you. There are a few of you I am watching very closely. These Schuylkill County politicians in particular:

Joseph D. Stems

Joe Sterns, Harrisburg Lobbyist and "new" Skook GOP Chairman.

Larry Padora

Larry Padora, son of a baker and "new" Skook GOP Vice Chairman.

Candidate for Schuylkill County Commissioner.

"A Celebration Of Life In Schuylkill County PA"

Christine Holman

Christine Holman, former Skook GOP DA candidate. As an attorney in Schuylkill County, her "winning is everything" mentality is hurting victims of abuse and neglect in my humble opinion.

Will she run again? That is the rumor out there. I'll be keeping a close eye on her courtroom shenanigans from now until she enters the race for DA.

I'll be back a few months before election day.
