Dear Mrs. Padora,

You wrongly attacked the Liptok family.

You now reap what you sow.

How is Larry doing? Remember what happened to Joe Sterns last Protégé after he lost? Hornberger tried to "off" himself.

Somebody better keep an eye on Larry, they call it the "Sterns Curse".

Ghost of Todd Fritz

Why Larry Padora will lose the primary

Baking bread with your dad does not mean you can handle running our County. No College education we need better.

Little Larry as we call him around Tamaqua is a loser. He has worked with his dad Mickey for his whole life, not because he chose to, but because no one else would hire him.

Back in 1990 Larry got behind the wheel after a night of drinking. He ran the car into a tree and killed me. I was a victim. The Padora family has been able to cover this up because at the time Little Larry was 16, so his "juvie" records are sealed.

Larry is in bed with his friends like **Joe Sterns**. Who is the Chairman of the Schuylkill GOP and also a Harrisburg lobbyist.

Larry has made promises to give Hank Clarke a fulltime Courthouse job as a Solicitor if Larry gets elected.

Larry has also accepted money from John Rich.

Larry is a daddy's boy, who could never do any wrong in Mickey's eyes. Even after he killed me (Todd Fritz) in a drunken car crash.

[http://articles.mcall.com/1990-09-26/news/275 ...](http://articles.mcall.com/1990-09-26/news/275...)

Vote NO on Larry Padora. A vote for Larry Padora is a vote for Harrisburg lobbyist Joe Sterns.

Let's take back control of the local GOP from the (BMP) Blue Mountain Tea Party.

Buddy told me was a Doctor, then he gave me a prostate exam. It was painful, he didn't use any lube. Are chiropractors trained to do prostate exams? He squeezed the family jewels and told me to cough and them I blew a load all over the massage table.

Vote for Larry Padora, he is one of us. A guy who drives drunk and gets in accidents.

Have you heard about that? They are a bunch of swingers that hang out at TJ's and "somebody" has some pics.

Can you hear their buttholes puckering ... will the pics be sent out before the primary?

Stay tuned...

Why won't Larry Padora come clean about killing Todd Fritz back in 1990?

Why didn't Hank Clarke disclose he is running Larry's campaign from his office?

Why did John Bushar cave to Joe Stems demands and allow the "new" Skook GOP to take over the Green Screen?

Why would anyone vote for a guy that works for his mom and dad baking bread, has no education beyond high school and no real work experience except bread making with Pops Padora?

Why did Hank Clarke's mother-in-law change her last name right before running for office?

Why does Hank Clarke get criminals off and released back into our communities?

VOTE NO on PADORA!

I have to ask, is the kernal throwing up a gang sign in that picture? I'd assume his wearing a blue shirt indicates he's a CRIP

Next time I see the kernal at Coney Island, I'll flash a sign and say, "what up cuz"

Don't make me drive to Tamaqua and stuff a loaf of that bread of your ass.

Keep calling me puss puss and see what happens.

PS, it wasn't Dave Argall that cost you the election, it was you and Hank arguing with me on Topix, the PREH, and the GS that showed the County's voters what a couple of losers you both are.

Imagine, two "respectable" people arguing with an anonymous internet barber and superhero.

Seriously.....

Wrong again, PUSS PUSS!

But it would be funny if you would show up at their bakery...but then again, you would be too much of a PUSS PUSS to say who you are...

Is Buddy Touchinsky a thinner man's version of Dunkel.

We'll let you know. Is an intervention necessary?, we'll see.

All I know, between Touchinsky and Padora, stay the hell off the roads when a "new" Skook GOP meeting let's out.

gunk...gunk...gunk...burrrp. And why is the Hefner fellow even allowed to drive?

DuhWalt *Maple Shade, NJ* Sunday Jun 5 #30 | Judge it! | Report Abuse | Reply »

Who's Hefner? What kind of intel do you have on this person?

Hank aka DuhWalt,

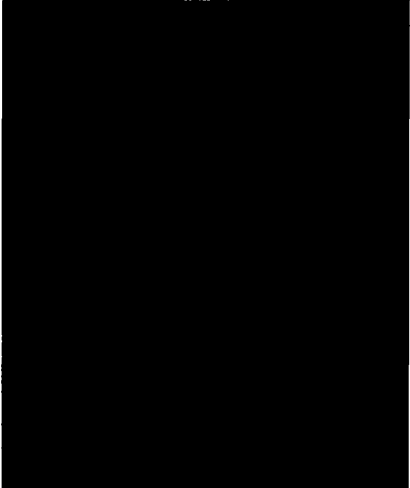

Rob Hefner is your little half retarded butt boy.

Intel:

- Is one of Jerry's kids.
- Won a trip to Disney courtesy of Make-A-Wish (Michelle and her lesbian friends)
- Loves to play Dungeons and Dragons down at the Pottsville GOP HQ.
- Works at the Pottsville Soc Sec office and messes with the KERNAL.
- Is a "new" Skook GOP Groupie, loves blowing Padora and Sterns.
- Lost his virginity to Christine Holman at a drunken fundraiser (Just like Brad Gotshall, Scott Thomas and Justin Simmons) Christine broke all their cherries.

What more do you want to know?.....

Buddy told me was a Doctor, then he gave me a prostate exam. It was painful, he didn't use any lube. Are chiropractors trained to do prostate exams? He squeezed the family jewels and told me to cough and them I blew a load all over the massage table.
Vote for Larry Padora, he is one of us. A guy who drives drunk and gets in accidents.

Have you heard about that? They are a bunch of swingers that hang out at TJ's and "somebody" has some pics.

Can you hear their buttoholes puckering ... will the pics be sent out before the primary?

Stay tuned....

Why won't Lary Padora come clean about killing Todd Fritz back in 1990?

Why didn't Hank Clarke disclose he is running Larry's campaign from his office?

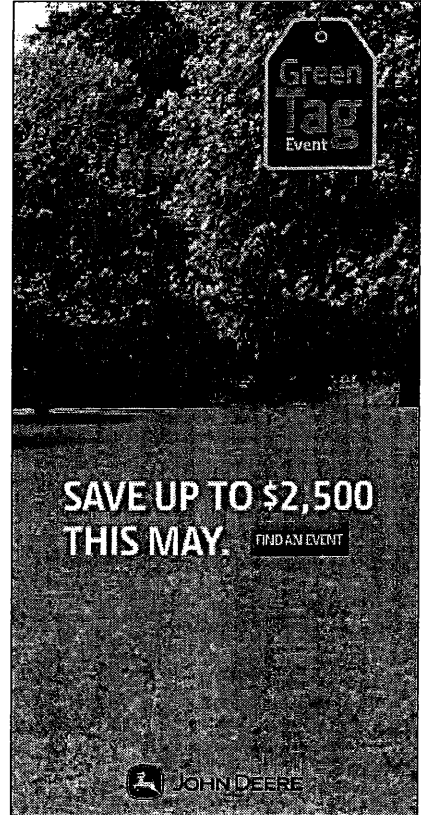

Why did John Bushar cave to Joe Sterns demands and allow the "new" Skook GOP to take over the Green Screen?

Why would anyone vote for a guy that works for his mom and dad baking bread, has no education beyond high school and no real work experience except bread making with Pops Padora?

Why did Hank Clarke's mother-in-law change her last name right before running for office?

Why does Hank Clarke get crimirtals off and released back into our communities?

VOTE NO on PADORA!
