get a life already, you have been posting your bs for more than 5 years, and keep saying the same things over and over again! You are that mental!

I know, no one will come and knock on my door, to ask any questions or talk. To see my agenda, or to attack me in person, FEAR!

keep posting, all the 2 year olds are getting a good laugh.

I have bigger fish to fry!
another 6 million dollar waste project thats destroying more county land.
Wonder who is behind that project?
water company.....

who pocketed all that money?

but by all means, keep posting stupid bs on here, instead of growing up and going after real greedy elected officials stealing your money, wasting it and living high on the hog with it.

Larry, thanks for admitting it's you. You say you don't have time, but we all know you do in between your bread batches.
You, Joe and Hank say you are impartial. You should have resigned your position within the Skook GOP. And Hank Shouldn't be saying he is impartial since he is running your campaign website.
Also, come clean on Todd Fritz. Remember how Jason got busted with the online shennannigans, you are doing the same thing to Dolzani and the other candidates. I will tirelessly to see you defeated.
Now I must get back to posting racist jokes Obama on the Green Screen. Later!

I pulled up Hank's [facebook](#), he wife is definitely the fattest of all the choices in the poll.

Hank must have to roll her around in a bunch of flower and look for a wet spot.

What about that skank looking of a wife that Padora has?

I hear the "new" Skook GOP is also a swingers club.

Nasty, nasty.

Someone is going to try your patience today, and like yesterday, you're in no mood to deal with them! It seems that everything you do is wrong and people are getting on your nerves. Don't worry: it's only a temporary thing due to cosmic tension, which will last a couple of days. It may seem as though you are wading through treacle, but all will be well soon.

The other day I went to Boyers in Tar... had Padora bread. After reading posts from Joe Sterns and Hank Clarke touting how great this bread is, I just had to buy a loaf.

I took it home. But the outside crust was as hard as a rock and I couldn't cut it with a knife. So I got a hammer and screw driver and tried to break the crust. That didn't work either. I tried a wood chisel, still nothing.

I got frustrated and hit it with the hammer a few times, leaving about a 9" diameter hole. I poked my finger in the hole and found the inside of the bread to be soft and fluffy.

I started to stick my tongue inside the hole, licking the inside. For some reason this turned me on and made me really horny.

My wife wouldn't be home for a few hours and I really needed a sexual release. Ever since the baby, my wife seems disinterested in having sex with me.

So I put on some porn. And I took the bread, inserted my penis into the hole I made with the hammer.

I spent the next 3 hours making mad passionate love to that loaf of Padora bread. I fantasized I was banging Larry's wife Sonjya. I shot my load deep in the bread.

Later that week my in-laws came over for Sunday. I was too embarrassed to tell my wife that I used the Padora bread as an artificial vagina.

My wife ended up serving the bread to our dinner guests. They complained the bread was a little salty.

Make sure you vote next Tuesday!
