Buddy told me was a Doctor, then he gave me a prostate exam. It was painful, he didn't use any lube. Are chiropractors trained to do prostate exams? He squeezed the family jewels and told me to cough and them I blew a load all over the massage table.

Vote for Larry Padora, he is one of us. A guy who drives drunk and gets in accidents.

John Liptok once again, from the comfort of the office, getting a paycheck, the agent from the office of the ag ,consumer protection, says, sorry your on your own. there were crimes committed, but they wont act on them. go to small claims court they sa...id. the agent said he talked to the owner of the dealership, mr sands, who told him that he will do absolutely nothing for me, and theres not anything anyone can do about it. the ford dealership, sands ford of pottsville pa. can do criminal acts to people and just walk away.

pay your bill and shut up.

gutless jealous ho in pottsville city hall basement!

Isnt it your job down there to go investigate and catch these crooks?

seems that the attorney hank clarke was seriously committing crimes, stalking, threatening, slandering, and you as city workers did what? copy and paste crap on an internet site!

when mike started threatening , you did teh same thing.

now you have a case on a car dealership, and you do the same thing. copy and paste bullshit, and get an attitude towards the victim.

Here is a clue jackoff, If that man was NOT paying a loan, the vehicle would have been repoed.

another clue, if the Attorney Generals office is saying there is a crime, why in the hell isnt the local police doing a thing about it?

you obviously can copy and paste, and shoot your mouth off, but you are still a useless gutless ho.

I forgot to mention, that you dont get a loan for a vehicle unless your working! Have some income!

According to the ford website, this vehicle was financed at over \$5000.

NO bank will do that with SSI/SSD or welfare.

so please shut the hell up already you dirty ho.

We with higher I Q "S dont want to hear your stupidity any longer, your constant griping and whinning about someone you obviously cant even come close to in the area of , well anything.

DAILY HOROSCOPE FOR MAY 24

You may wake up this morning remembering strange dreams and visions from the night before... with Neptune moving through your twelfth house of subconscious matters awakened by the Pisces Moon, you have a direct line into the Universal Mind. This is probably not a good day for socializing as you may be too easily affected by the emotions of others. Take it easy tonight.

Someone asked why one of my employees parks a Crestview Enterprises truck (purple) up at the N. Second St. Projects in Pottsville.

It's real simple, just like Buddy Touchinsky, I pay my employees very little and provide unaffordable health plans, so it forces them to apply for welfare, access cards, wic, food stamps and public housing.

But hey.... we are business owners. That makes us special.

Is Buddy Touchinsky a thinner man's version of Dunkel.

We'll let you know. Is an intervention necessary?, we'll see.

All I know, between Touchinsky and Padora, stay the hell off the roads when a "new" Skook GOP meeting let's out.

gunk...gunk...gunk...burrrr. And why is the Heffner fellow even allowed to drive?

Hank aka DuhWalt,

Rob Heffner is your little half retarded butt boy.

Intel:

- Is one of Jerry's kids.
- Won a trip to Disney courtesy of Make-A-Wish (Michelle and her lesbian friends)
- Loves to play Dungeons and Dragons down at the Pottsville GOP HQ.
- Works at the Pottsville Soc Sec office and messes with the KERNAL.
- Is a "new" Skook GOP Groupie, loves blowing Padora and Sterns.
- Lost his virginty to Christine Holman at a drunken fundraiser (Just like Brad Gotshall, Scott Thomas and Justin Simmons) Christine broke all their cherries.

What more do you want to know?.....
