Do you feel the Skook GOP is headed in the right direction under Joe Sterns? - The Green... Page 2 of 3

Green Screen Champion Registered: 11/04/10 Posts: 192	I was surprised to read your latest blog post endorsing Joe and Gretchen Sterns for the Republican State Committee. It was only 2 weeks ago that you praised my candidacy and informed me of your intention to endorse me for this office, you indicated that you would be in contact with me but you failed to do so.
	I believe you have made a mistake in two ways:
	1) By failing to endorse my candidacy
	2) By endorsing the losing candidate in Joe Sterns.
	My campaign is a true movement of grassroots, republican, conservative voters' intent on changing the state committee and republican politics in general. I am the only candidate that can appeal to a wide crossroads of voters of all ages and in all geographical area of the county.
	Joe Sterns, I fear is not only a losing candidate but also lacks any credibility in the reform effort. Where Joe talks the talk, he fails to walk the walk. In fact, Joe utilizes his taxpayer funded position in the state senate as a bully pulpit where he sits back at the taxpayers' expense and plays politics. I have in my possession, proof of his inappropriate use of government computers to engage in political maneuvering in this race and others.
	I doubt that his boss, State Senator Mike Folmer, a leader in the reform effort, would take kindly to this abuse of taxpayer recourses. I don't think that this "more of the same attitude" is what we want, rather I believe the voters will want someone who represents real reform- a new face who will appeal to all ages- Scott Thomas.
	I hope you will reconsider your endorsement as I still welcome your support.
	Sincerely,
	Scott R. Thomas
