 United States District Judge

---

<sup>1</sup> The Court notes that Plaintiff appears to have submitted objections (Doc. 28-1) to Magistrate Judge Mehalchick’s February 6, 2019 Report and Recommendation (Doc. 26) recommending granting Defendants’ motion to dismiss Plaintiff’s complaint. These objections were not formally docketed, and they do not appear to object to the Report and Recommendation (Doc. 25) addressed by this Order.

<sup>2</sup> In his Motion for Default Judgment, Plaintiff also asks the Court to “review” his notice of appeal issued in a related state court action. (Doc. 15 at 3). The Report and Recommendation does not address this request, and the Court will decline to do so here. It is uncertain what Plaintiff is asking the Court to “review,” and on what basis he is seeking relief.
