Plaintiff filed the instant action in December 2022, and it was jointly assigned to the undersigned and to a magistrate judge.¹ Upon designation, a magistrate judge may “conduct hearings, including evidentiary hearings, and . . . submit to a judge of the court proposed findings of fact and recommendations.”² Once filed, this report and recommendation is disseminated to the parties in the case who then have the opportunity to file written objections.³

In September 2024, Defendant Keith Dickson filed a motion for summary judgment.⁴ In December 2024, Plaintiff sent a letter to this court which reads: “I ask that the court dismiss my case cause Im no longer able to litigate this case on my own cause I dont have the legal knowledge to respond to the summary judgment

motion that is currently pending.”⁵ Magistrate Judge Martin C. Carlson, to whom this matter is jointly assigned, issued a report and recommendation recommending that the letter be deemed a motion to voluntarily dismiss the case, that the motion should be granted, and that the case should be dismissed.⁶ No objections to the report and recommendation were filed.

The Court has conducted a de novo review here and found no error; I agree that Plaintiff’s letter should be deemed as a voluntary dismissal and the case dismissed.

AND NOW, IT IS HEREBY ORDERED that:

1. Magistrate Judge Carlson’s Report and Recommendation (Doc. 57) is **ADOPTED** in full;
2. Plaintiff Rickey W. Jefferson 2nd’s Letter to the Court (Doc. 56) is deemed a motion to voluntarily dismiss the case, and the motion to voluntarily dismiss the case is **GRANTED**; and
3. The Clerk is directed to **CLOSE** this case.
