**REPORT AND RECOMMENDATION**

AND NOW, this 2nd day of February, 2007, after Petitioner presented a petition for a writ of habeas corpus which he seeks leave to prosecute in forma pauperis, and it appearing that he has an average monthly balance of \$ 43.44 in his account at the United States Penitentiary at Allenwood in White Deer, Pennsylvania, which sum far exceeds the \$5.00 filing fee required to commence this action, and it further appearing that requiring the Petitioner to pay the filing fee will not deprive him of any necessities of life at the prison,

It is recommended that leave to proceed in forma pauperis be denied.

Petitioner shall have ten (10) days from the date of service in which to file written objections to this Report and Recommendation. Failure to file timely objections may constitute a waiver of any appellate rights.
