1 **IT IS ORDERED AND ADJUDGED** that this matter, including the deadlines for  
 2 the parties to participate in class certification and other pretrial proceedings, be stayed  
 3 pending the establishment of *in re: Pet Food Products Liability Litigation*, MDL Docket  
 4 No. 1850, and the potential subsequent transfer of this case for coordinated pretrial  
 5 proceedings with other actions pending throughout the country. *↓*

6 **IT IS FURTHER ORDERED** that all parties shall, during the pendency of the  
 7 stay of this matter, comply with their duty to preserve all evidence that may be relevant  
 8 to this action. This duty extends to documents, electronic data, and tangible things in the  
 9 possession, custody and control of the parties to this action, and any employees, agents,  
 10 contractors, or carriers who possess materials reasonably anticipated to be the subject of  
 11 discovery in this action. "Preservation" is to be interpreted broadly to accomplish the  
 12 goal of maintaining the integrity of all documents, data and tangible things reasonably  
 13 anticipated to be the subject of discovery under Federal Rules of Civil Procedure 26, 45  
 14 and 56(e) in this action. Preservation includes taking reasonable steps to prevent the  
 15 partial or full destruction, alteration, testing, deletion, shredding, incineration, wiping,  
 16 relocation, migration, theft, or mutation of such material, as well as negligent or  
 17 intentional handling that would make material incomplete or inaccessible. If the  
 18 business practices of any party involve the routine destruction, recycling, relocation, or  
 19 mutation of materials, the party must, to the extent practicable for the pendency of this  
 20 order, either:

- 21 i) halt such business practices;
- 22 ii) sequester or remove such material from the business process; or
- 23 iii) arrange for the preservation of complete and accurate duplicates or
- 24 copies of such material, suitable for later discovery if requested.
