Riches v. Olympics

1

ON May 10, 2006 - I ran a 3.38 minute mile around the FCI Williamsburg rec yard. I've been on runners world and running man magazine 10 times. I sent my run results and urine sample to Defendant's and I'm still being discriminated against because they won't let me enter the 2008 Olympics.

JUNE 8, 2007 - I ran 26.2 miles in 1 hr 58 minutes smashing any record worldwide. Defendant's won't let me join the Olympics because I'm white.

2

Lance Armstrong gave me head cancer on Feb 22, 2007. Defendant's are forbidding me to race at Churchill Downs.

ON Jan 15, 2006 - FCI Williamsburg has NO Olympic size pool to practice my breast stroke, only puddles with NO life guards on duty.

ON June 18, 2007 Defendant's sent Yanya Harding to break my knee caps.

3

The "USOC" and "IOC" have a rule book. The rules say Anyone who has had their 6<sup>th</sup> and 8<sup>th</sup> amendment rights violated under Booker/Furman cannot join the Olympics. ON Jan 1, 2007 I sent them a letter asking for a exemption and a Anti doping hearing. May 10, 2007 - I got a letter back from the "IOC". Their response was "We are sorry MR. Riches, the Southern District of Texas in Houston, CASE # H-03-90 has violated your 6<sup>th</sup> amendment rights by enhancing your millions of dollars in fraud losses not proven by a Jury, Admitted to, or IN your Indictment - We cannot accept you into the Olympics because U.S. District Judge Melinda Harmon violated your 6<sup>th</sup> amendment rights." This is discrimination and EEO violations.

4

Dec 10, 2005 - I swim across the English channel with Michael Phelps. I also ran 35 Badwater Marathons that night I had to fight the Russian in Rocky V for training. I can also Bicycle and write lawsuits at the same time on April 20, 2006

Defendant's put me in Richie Valens plane

5

Sep 11, 2001 - Defendant's took my Gold medals, Boy Scout trophy's,  
 Swift boat courage, my Spelling bee medal. I ran across the Gobi  
 desert without water. I can run hurdles over the Great wall of China.  
 Jewish Mossad can only catch me in my mind and that's on Tuesdays.  
 The triathlon champion - I did all night Identity theft runs, pumping out  
 10 Western Unions a hr, I went across the country with Andrew Cavanaugh.  
 I'm suing Nawak in Orlando orange county.

I can shot put my cell mate 300 meters. I can prove I'm handicapped, just  
 ask Mary Lou Beaton. Defendant's took my Passport and Identity so I can't  
 travel to Beijing. I represent the Country of Hackistan in a town  
 called Fraudville. The Olympics are afraid I will reunite with MAO and  
 serious computer hackers from the 16<sup>th</sup> century.

Defendant's discriminate Against my past. I spent Juvenile time in  
 VISION Quest Franklin PA mental facility, they forced me to sleep in teepees  
 and stress hike for days without food. I'm suing them soon too.

### IRQ Restraining

Plaintiff is in serious danger from Defendant's. Lance Armstrong's bike transforms  
 into a nuclear missile. Nukes pointed at me in all directions. My shadow runs  
 from me. My cell mate leaves me alone in the cell. Ben Caden has a 5 billion dollar  
 award for my head. Plaintiff moves for the cancel of the 2008 Olympics to  
 inspect the people. Scott Peterson is innocent. Plaintiff moves to leave Peterson  
 and John Mark Karr alone. Defendant's leave me alone. When I get out, I'm going  
 to join the CIA Again. Delta Force Agent Jonathan Lee Riches <sup>(C)</sup> the trained
