06/02/2014	93	ORDER: Noting 90 Consolidated Waste Services Corp.s and MAPFRES Motion to Continue and for Extension of Time to Conclude Discovery. Therein, attorney Pablo H. Montaner Cordero states he will not be able to attend the Status Conference scheduled on May 19, 2014 for June 11, 2014, due to a previously scheduled trial in the San Juan Superior Court. The Court scheduled the Conference upon review of Docket No. 85 (May Joint Discovery Report), wherein the parties represented to have set aside June 11, 2014, to depose plaintiffs economic expert. At the time, Consolidateds counsel did not alert the Court of any potential scheduling problem. On April 11, 2014, the Court ruled on various motions related to discovery. Among other things, it denied plaintiffs request that Consolidated be forbidden from taking his deposition or in the alternative, that it be required

		to pay the cost and expenses of having plaintiff travel to Puerto Rico to be deposed. Moreover, it ordered the parties to file a joint report regarding discovery every 15 days beginning on April 30, 2014. Even though plaintiff filed a discovery progress report on May 1, 2014, defendants did not either join plaintiffs report or filed a separate report. Likewise, a joint report was due on May 30, 2014, but none was filed. It is apparent a conference is required to move this case along. Counsel should expect additional information on this matter later today. Signed by Judge Pedro A. Delgado-Hernandez on 6/2/2014. (DJP) (Entered: 06/02/2014)

01/12/2015	187	ORDER: Regarding 181 "Motion for Reproduction of Plaintiff's Deposition Transcripts in Compliance with Orders." In the main, Plaintiff claims the Municipality failed to comply with this Court's order directing the latter to produce, on or before October 24, 2014, a hard copy of the transcripts of

		<p>plaintiff's deposition taken on August 18-19, 2014. At Docket No. 184, the Municipality claims to have delivered those transcripts via email, and subsequently by way of certified mail with return receipt requested. In his reply at Docket No. 186, plaintiff seems to deny ever receiving the hard copy of the transcripts. To dispel any further disputes as to this matter, the Municipality is to file with the Clerk of the Court not later than tomorrow (January 13, 2015), at 4:30 p.m. a hard copy of those transcripts. Plaintiff shall pick up the hard copy not later than Wednesday, January 14, 2015, at 4:30 p.m. Further, the Court understands that in order to comply with the deadline of January 26, 2015, an expedited transcript of the deposition that was to be taken today is necessary. Accordingly, a hard copy of the transcript shall be made available to all parties not later than noontime on January 20, 2015. The Municipality shall pay for the costs of obtaining the expedited transcript, and all parties shall pay their proportional share to the Municipality by January 30, 2015. The Court shall refrain from commenting on the language that counsel for plaintiff opted to include in paragraphs 4 and 5 of Docket No. 186. Signed by Judge Pedro A. Delgado-Hernandez on 1/12/2015.
