

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF SOUTH CAROLINA

Lance M. Granade,

Plaintiff,

v.

Carolyn W. Colvin, Acting Commissioner of
the Social Security Administration,

Defendant.

C/A No. 0:13-822-PJG

**CONSENT ORDER
REGARDING 406(b) FEES**

By a pending Petition, counsel for Plaintiff applied for 406(b) fees in this Social Security disability action. The petitioning attorney for Plaintiff and the attorney for Defendant have now agreed that counsel shall be awarded 406(b) fees in the amount of \$10,000.00 for Federal Court-related work. Counsel has fully disclosed to the attorney for Defendant that he has also been awarded \$25,000.00 in 406(a) fees for Agency-level work. The total amount of Agency-level fees under 406(a), plus the Federal Court-related fees under 406(b), is still less than 25% of the total amount of past-due benefits which have been withheld from Plaintiff's award (\$47,363.00 in benefits were withheld from Plaintiff's award based on his total award of \$189,455.00 in past-due benefits).

IT IS THEREFORE ORDERED that Petitioner, J. Leeds Barroll, IV, is awarded \$10,000.00 in 406(b) fees, which is in addition to the \$25,000.00 already awarded by the Social Security Administration for 406(a) fees.
